VOLT LAUDS INDUSTRY OF ROGUE VALLEY
(Continued from page one)

"Knight's catsup is an Oregon product, the only catsup manufactured in the state, and the only high-grade bottled catsup manufactured in the Pacific Northwest. We still cling to the 16-ounce, full pint bottle in face of the fact that eastern manufacturers are adopting 14-ounce short measure bottle.

"With quality, quantity and advertising, and a home product, it seems that we have everything to make Knight's Rogue River Tomato Catsup the leader in its field."

Supplementing the above-quoted remarks, "The Volt can add that such a plant as this is a big asset from a community standpoint. Not only does it contribute a pay roll, but also provides a local market for a fruit crop specially adapted to the Rogue River Valley.

Another item of interest in this issue concerns the Dunsmuir water supply which comes from Mosbrae Falls and is widely heralded as the "Best Water on Earth." Those who have passed through Dunsmuir on the train will no doubt recall the drinking fountain at the S. P. station which at train time is besieged by crowds of thirsty passengers eager to get a taste of this famous beverage which leaves no unfavorable after-effects. A good picture of Dunsmuir's "Fountain of Youth" serves to illustrate the story.

DE MOLAYS ARE HOSTS HERE TO SO. ORE. BOYS
More Than 75 Members of Order Gather Here for Meeting

More than 75 members of the De Molay organization gathered at the De Molay club rooms in the Masonic Temple last night, for a get together meeting, and to enjoy a venison dinner, served by D. M. Lowe, chairman of the advisory council of the organization.

The Lithia Chapter De Molay had as their guests De Molay members from Treka, Grants Pass and Medford, about twenty five boys coming from outside cities.

The venison served was one of two big deer, killed by Lowe several days ago. One of the deer weighed 210 pounds dressed, while the second weighed 194 pounds dressed.

In addition to the venison dinner, a watermelon feed was enjoyed.

This is the first of several of these get together meetings, to be enjoyed by Southern Oregon De Molay chapters this winter.

Silver Wedding Celebrated—Mr. and Mrs. T. N. Humphreys celebrated their silver wedding anniversary at the family home near Brockway, Oregon, October 4, 1926.

The house had been artistically decorated in fall blossoms, with dahlias and asters, in their gorgeous coloring, used in profusion. Covers were laid for fifteen guests, at the bonafide dinner which was served at noon.

Pictures were taken during the day which was spent most enjoyably in visiting, reminiscing about old times and happy experiences.

Those present were: Mr. and Mrs. E. A. Denton and sons, Kenneth and Eberett, of Ashland; Mr. and Mrs. J. W. Humphrey and daughter, Alice, of Wilbur; Mrs. Iva Galbraith of Albany; Mr. and Mrs. F. F. Heard of Looking Glass; Mr. and Mrs. G. W. Finley of Roseburg; Mr. and Mrs. N. A. McCulloch of Brockway; Mr. Malcolm Humphreys, Miss Mildred Humphreys, and the host and hostess, Mr. and Mrs. T. N. Humphreys.

Mr. and Mrs. Humphreys are former residents of Ashland, and are pleasantly remembered by a large circle of friends, who congratulate them on this anniversary so happily commemorated.

Bereavement Entertained—The Bereavement class of the Baptist Sunday school were delightfully entertained at the pleasant home of Mrs. Hinthorne on Scenic Drive, Thursday evening, October the eighth.

The evening was spent in social fashion, with fancy work occupying busy fingers. There was a short business session before a delicious luncheon of pie and coffee was served.

The guest list included Mrs. Alta Hanson, Mrs. Sorrell, Miss Caribel Morehouse, Mrs. Boyd, Mrs. Frank Bewick, Mrs. H. O. Anderson, Mrs. Travis, Mrs. Noel Heard, Mrs. V. D. Miller, Mrs. Allen Denton, Mrs. Wilkins, Dr. Mattie Shaw, Mrs. S. A. Peters, Sr.

The hostess, Mrs. Hinthorne, was assisted in serving by Mrs. Hanson, who was the complimented guest.

Wednesday Club Meeting—Mrs. George Brookmiller, Mrs. C. J. Brommer and Mrs. Hitchcock were hostesses at the meeting of the Wednesday Club, held in the Presbyterian church parlors yesterday afternoon.

In the absence of the president, Mrs. W. M. Poley, the vice president, Mrs. L. S. Brown, conducted the business meeting, at which reports were read and plans for the winter's activity discussed.

There was a splendid program given, with Dr. Mattie B. Shaw appearing in a group of delightful readings: a duet played by Miss Estelle Jones and Mrs. H. S. Aikens and a piano solo given by Miss Lorraine Brookmiller. The readings and music gave great pleasure to

those privileged to hear and appreciate applause greeted each number.

Refreshments were served by the hostesses, during the social hour, at the pretty tables bright in autumn colorings, to the goodly number gathered for the pleasant afternoon.

Skating Party—The Lithians planned a very happy social affair early in the week, complimenting Mr. and Mrs. Dan Kay, whose marriage occurred recently. It had been arranged as a skating party, with perhaps eighteen or twenty couples in attendance. To stimulate friendly competition prizes were awarded to those who excelled and most exciting races were the result.

Orchestra music enlivened the evening and a game of tag afforded considerable exercise and skill in retaining one's equilibrium.
