THE REAL DOMESTIC ECONOMY

"Send it to Laundry"

NY washer is bought to provide a convenient labor-saving means of doing the family wash. That, of course, is understood. But the washer that can wash all kinds-all weights of clothes -that can do it the quickest-that can do it more thoroughly and with the greatest personal ease, is the washer you need.

You will find that out sooner or later, but the time to find out is before you buy. During the past forty weeks some 125,000

housewives have bought the Maytag Gyra-

foam Washer-not before, however, but

after they had washed with it.

You too should buy only on proof-on facts obtained first-hand right in your own home, the day you do your wash.

Do this-Telephone us, giving your name and address. Tell us to bring a Maytag Gyrafoam to your home. We will do so at once.

Wash with it — wash everything you have - your dainty underthings - your blankets - your floor mats - and those

greasy overalls hanging in the garage.

Then you will have facts - the evidence

upon which to decide whether the Maytag
