AMERICAN GUNBOATS RUSH TO DAMASCUS

WASHINGTON, Oct. 21—(U. P.)—Officially notified that the Druze tribesmen of Syria had captured part of the city of Damascus in their warfare with France, the American government today ordered two American destroyers to proceed at once to the eastern Mediterranean, in order to protect American lives. The French are anxious, where 150 Americans are now living, threatening to bombard Damascus.

The Well-Dressed Man!

It would be hard to find a man known to the "fair sex" for rugged display, he always appreciates a neat gift of jewelry! Something small and dainty that lends to his already perfect appearance. A link and stud set, for instance, is something the debonair youth cannot be without. Possibly a stickpin, watch-chain, or one of the latest wrist watches! Whatever it is in the jewelry line—we have it! When your list of suggestions has become exhausted, we will supply the necessary gifts—and reasonably, too.
