Civic Club Meeting—
Tuesday's gathering marked another of the Civic Club's splendid programs.

Musical numbers in opening, gave great pleasure to the guests. After the salute to the flag, "America, the Beautiful," was sung, led by Mrs. Fred Nell; a piano duet, "Sextette from Lucia," with a delightful encore, was

played by Mrs. H. S. Atkins and Miss Estelle Jones. Miss Jean Anderson, contralto, sang "Shadows," and "From the Land of the Kky Blue Waters," with Mrs. Van Fossen accompanying.

Reports and some routine business preceded the address of the afternoon. Mrs. K. P. Nims as a member of the program committee had charge of the program with Mrs. Gordon MacCracken, president, in the chair.

Mrs. D. Perozzi, who is at the head of the legislative department made out brief but pertinent prefatory remarks in introducing the speaker of the afternoon, W. M. Briggs, city attorney, who discussed "The Property Rights of Women in Oregon."

In his address Mr. Briggs outlined the different situations in which women were placed, regarding the settlement of property. First, where the husband died, without will, leaving a number of children; second, where no will was left and no children; third, a will left, and where there were children and also where there were no children; fourth, property settlement in case of divorce; fifth, joint holdings and also the property rights of unmarried women.

After this enlightening address, to which appreciative attention was given, flowers were presented to Mrs. Perozzi for her efficient work in the legislative department in behalf of the donor, Mrs. Barron. Mrs. MacCracken made the presentation with a few graceful remarks. A letter of appreciation from J. H. Fuller was read, recognizing the cooperation of the Civic Club with the Chamber of Commerce in many of its undertakings. A proposition in which the work of the club, on a commission basis, was solicited, but it was not definitely settled.

The new members received at this time and welcomed into the club were: Mrs. O. T. Bergner.

assisted in a monetary way was expressed by the Club.

shall prepare the general budget of state expenditures for submission to the legislature.

"I favor in this state making the governor the budget making officer."

"If given the power to make the budget, the governor would be solely responsible for state expenses and could not evade the responsibility. The only way he could be relieved of any part of it would be by the legislature overriding his veto which requires a two thirds vote of both houses.

"I favor placing the penitentiary under the Board of Control, as it is the only state institution not now under the Board, to the end that the tenure of office at the penitentiary may depend solely on merit, as it does at other state institutions. That is the only way to remove it from politics. We can then reduce the cost and hope in time, to make it self supporting.

"Also, I favor abolishing the Parole Board and placing the
