

ASHLAND CLIMATE Without the use of medicine cures nine cases out of ten of asthma. This is a proven fact.

ASHLAND DAILY TIDINGS

The Tidings Has Been Ashland's Leading Newspaper For Nearly Fifty Years (United Press Wire Service)

MALARIA GERMS Cannot survive three months in the rich silt at Ashland. Pure domestic water helps.

League Acts to Bring Halt to Balkan Fighting

CLUB WORK TO BE SHOWN AT INTERNATIONAL

Local Club Work Winners to Exhibit Products at Exposition TO EXHIBIT SWINE

Prize Baking Team is Also to Give Exhibition at Portland

As the result of the activities of the boys' and girls' clubs of Jackson county, further laurels may be added to this locality as an agricultural center.

The champion stock judging team of the county fair, known as the Valleyview Ashland club team, and composed of John Billings, Ralph Howell and Harold Fish, will take part in competition at the exposition.

The prune bread team, composed of Ellen Galey and Adena Joy of Ashland, will give a bread demonstration. The bread team last year won first place at the state fair, and were given a trip to Chicago.

The exhibit of the clubs at the exposition will be entirely of swine. The reason, according to R. G. Fowler, county club leader, is that the hogs can be sold at Portland, while it is hard to dispose of other stock.

DIVORCED WOMEN WHO REMARRY LOSE MONEY

SALEM, Oct. 23.—(U. P.)—Divorced women must abandon their alimony when they remarry, the state supreme court ruled today in a decision upon the appeal of W. T. Phy. The latter ceased to pay alimony to his ex-wife when she remarried. She sued him and obtained an order from the circuit court in Union county, compelling him to pay the set alimony. Phy carried the case to the supreme court, which reversed the lower court verdict.

MILLION DOLLAR INCOMES ARE AGAIN ON INCREASE

By JOSEPH S. WASNEY (United Press Staff Correspondent) WASHINGTON, Oct. 23.—(U. P.)—The average person in the United States has only one chance in 1,500,000 to attain an increase of a million a year. Income tax returns for 1923 show there are only 74 such incomes in the United States out of a population of about 114,000,000. The wealthy class is on the increase, however, and the odds against becoming exceedingly rich are shortening. In 1914 there were 60 persons who reported incomes of \$1,000,000 and over. Then the war period boosted business and a year later there were 120. The peak was reached in 1916 when 206 persons had incomes of \$1,000,000 or over. Then the war business slumped and million dollar incomes dropped from 141 in 1917 to 67 in 1918; 33 in 1920 and 21 in 1921. After a "lean year" in 1921 business took an upward trend and in 1922 there were 67. For 1923 there were 74.

Coolidge 'Put Up' 7 Pastors in White House

WASHINGTON, Oct. 23.—The old practice of "putting up the pastor for the night" is being enlarged upon this week at the White House where seven Congregational ministers, two of them with their wives, are house guests. When Rev. Jason Noble Pierce, pastor of the President's church, requested the membership to "take in" their quota of delegates to the Congregational convention, the President and Mrs. Coolidge declined to be left out, announcing they had room for 9 persons. The nine include two former pastors and a present pastor of the Edwards church of Northampton, Massachusetts. Mr. Coolidge's home town. White House officials said the visitors were guests not of the nation, but of Mr. and Mrs. Calvin Coolidge, Congregationalists.

APPLE WEEK TO BE OBSERVED BY ASHLAND

National Apple Week, October 31 to November 6, will be featured by apple displays, the featuring of apples in every manner possible on the menus at the various luncheon club meetings, and possibly by an apple show in a small way, according to J. H. Fuller, secretary of the chamber of commerce. In an effort to promote the use of the apple even further, apple growers and chambers of commerce throughout the apple producing sections have combined to secure an observance of National Apple Week. With the Rogue River valley one of the big apple producing districts on the Pacific coast, growers here are cooperating with the local chamber in putting over apple week. The Portland chamber of commerce is assisting in every way possible, Fuller says, in furnishing material to be used at club meetings, advertising matter and in every other way possible, in an effort to promote apple week throughout Oregon. The restaurants and hotels of the city will also join in featuring apple week, Fuller stated.

Check Writer Forgets to Sign Check, Hunt is on

Fred Taylor, general proprietor of The Plaza Confectionery is on a still hunt. Not that he is hunting a still but he is still hunting. He is hunting for the young lady who cashed a check at his establishment a few days ago, and forgot to affix her signature to the paper. Taylor did not notice that the check had not been signed until he turned it into his bank. The check was immediately returned, and Fred discovered his mistake. Knowing that the matter was simply an oversight on the part of the check writer, Taylor is now attempting to locate her so she can sign the check and he can obtain his money.

Outdoor Service Opens Episcopal Convention

A great open-air service opened the forty-eighth Triennial convention of the Episcopal church at Audobon Park, New Orleans. More than 10,000 attended the service and a choir of 450 voices led the singing. It was this convention which upheld the conviction of Bishop William Montgomery Brown on charges of heresy.

KIWANIANS TO BE HOSTS HERE THIS EVENING

Medford and Klamath Falls Members Are to be Entertained Between fifty and seventy-five Kiwanians from Medford and Klamath Falls will be the guests of the Ashland Kiwanis club here tonight, at one of the annual dinners given by the local organization. Medford will send over about 35 members of the Kiwanis Club in that city, according to the officers of the Medford club, while it is believed that between 25 and 40 members of the Klamath Falls club will be present. Each club is to stage several stunts, and the visitors have sent word that they have some real fun making events which they will put on. The Ashland club has been busy for several weeks arranging for the affair, which will be one of the big Kiwanian events of the year for Southern Oregon. It is thought that there may be some district officers of the club present, although no definite word has been received from these offices as yet. Following the dinner, which starts at 7:30, the club members will enjoy a dance, to be held in the ball room of the Lithia Springs hotel. There was no meeting of the club at noon today, J. W. McCoy, president of the local club announced.

Tamalpais Railroad to End Career

SAN FRANCISCO, Oct. 23.—The "crookedest railroad in the world," famous steam route up Mount Tamalpais, 10 miles from San Francisco, in Marin county, is getting ready to rip up its tracks, sell its rolling stock and go out of business. The automobile, which has recently achieved the top of the mountain over the Ridge Crest, it is believed, has forced the move. The railroad company plans to widen the right of way and change it into an automobile toll road. The world-famous road, which was built in 1898 at a cost of \$500,000, winds up the mountain for 2,500 feet over a tortuous route seven miles long. It has a spur into Muir woods, whose giant redwoods were hundreds of years old before the Old Testament times were ended. The windowless cars of the little trains are pulled by tiny but powerful cogwheel engines, while the descent is made in cars pulled by gravity alone.

EXPERT IS NOW ERECTING NEW TIDINGS PRESS

R. W. Rogers, expert press erector and representative of The Goss Printing Press company, arrived in Ashland yesterday and is busy now directing the erection of the new machinery which The Tidings is installing. Later announcements will explain this modern equipment which will enable The Daily Tidings to make important improvements in its regular editions. The unloading of the mammoth pieces of machinery at the Tidings office has attracted considerable attention. When the machinery is fully erected and in operation The Tidings will be glad to have visitors inspect the improvements. The task will not be completed until about two or three weeks from today. St. Helens — Work to start on Gray and Veazie two-story concrete building. Salem — First western line twine produced in Miles Linn factory.

LOCAL ELEVEN ALL SET FOR KLAMATH GAME

Ashland Team Hopes to Even Score by Winning From Pelicans With high hopes of breaking into the win column for the first time this season, the Ashland high school football team will tangle with the Klamath Falls high school team tomorrow afternoon. The tussle will be a return engagement with the Pelicans, the boys from Klamath having won the first game, 12-7. That was staged on the Klamath Falls gridiron, and was the opening game of the season for the locals. Coach Hughes is now rounding his eleven men into an outfit which resembles a football team. Starting the season with a lot of light, inexperienced men, the Ashland coach was up against a tough proposition in developing a team which would get very far. Hughes was almost certain that his boys would take some bad lickings in the early season games because of their inexperience. However, the youngsters have come through in better shape than Hughes really expected, having held the Grants Pass eleven to a tie, and dropping a close game to Klamath Falls. Hughes feels now that his men are ready to step out and do a little winning for themselves. He will have the full strength of the locals in the fray tomorrow afternoon, and if the boys show the same sort of fight and improvement they displayed during practice the past week, they are bound to get over Klamath Falls in nice shape. The Pelicans will outweigh the local eleven considerably, but Hughes is not worrying on that score, believing that his men, with their fast running and passing attack, will be able to step too fast for the visitors. The game will get under way at 2:30.

MORE BODIES TAKEN FROM SUNKEN SUB

NEWPORT, R. I., Oct. 23.—(U. P.)—Two more bodies, as yet unidentified, have been recovered from the sunken hull of the submarine S-51, off Block Island, according to a wireless dispatch received today by naval communications. The bodies were taken from the engine room of the submarine, by divers. With the body recovered late yesterday, this makes a total of eight that have been brought from the lost submarine. The bodies recovered today are being brought here on the navy tug Triton. Milwaukee — Legal Masonic lodge will build two-story temple.

TRIAL NOTICE SENT MITCHELL BY OFFICIALS

Technical Arrest is Made of Colonel Mitchell by Department

WELCOMES HIS TRIAL

Declares it Will Give Opportunity to Conclusively Prove Stand

WASHINGTON, Oct. 23.—(U. P.)—Colonel William Mitchell today was formally served with the charge against him, and notified to appear for a court martial on next Wednesday. Mitchell was again notified this afternoon that he must stay in Washington until the conclusion of the court martial, which, according to his civilian counsel, Representative Frank Reid of Illinois, amounts to a technical arrest. War department officials, however, declared that Mitchell would not be formally arrested until probably next Tuesday, the day before the trial. The court martial, it is believed will take at least two weeks to be heard, since it is known that Colonel Mitchell will have scores of witnesses brought into court to substantiate his statements.

DRY WEATHER BRINGS FOREST FIRE DANGER

Fires Are Reported in Grants Pass District by Warden

GRANTS PASS, Oct. 23.—Danger of forest fires is increasing with the continued dry weather, an exceptional condition for October, according to C. A. Hoxie, district fire warden, who was called out yesterday to suppress a fire which went over 35 acres in two hours. The fire was on a south slope on Gray's creek in the Applegate valley and burned fiercely, fanned by a south wind. The fire was incendiary, the warden states. Two fires were put out Wednesday, after burning over a combined area of 41-2 acres. Both were incendiary. The warden reports that the south hill sides are now becoming exceptionally dry for this time of year and fire spreads rapidly. He urges extreme caution in the handling of slashing fires and in burning brush lands. None of the fires reported were in timber. A fire was reported Wednesday in the Illinois valley. The Rogue valley today is filled with smoke for the first time in more than a month. Toledo — Bond issue proposed to complete Toledo-Waldport highway.

Tidings Edition Today Has Many Food Bargains

Today's issue of The Tidings in a way is a Food Special, with an unusually large number of groceries and meat markets offering special bargains for Saturday and Monday shoppers. Among these offering special bargains are: Stone's Modern Food Store, which is having its opening tomorrow in the store room next to The Citizens Bank; The Plaza grocery; Hardy Brothers; Schuerman's grocery; Plummer's grocery; The Twentieth Century and the Eagle and Barhouse meat markets. Many unusually good bargains are offered in the six-page edition of The Tidings today.

SISKIYOU TO BOND FOR BETTER ROAD

YREKA, Oct. 23.—What action will be taken by the proponents of better roads in southern Siskiyou, toward that part of the county in an effort to raise sufficient funds, is problematical. A committee has been appointed to investigate the situation and it is probable that it will submit a report before the November meeting of the board of supervisors, concerning the advisability of bonding for the betterment of the highways from Mt. Shasta to McCloud and thence toward Fall River Mills and the highway from Weed to Macdoel. It is probable that when the report of the committee is submitted, a petition will be circulated to get the feelings of those who will be bonded if the proposed measure is put through.

Hillboro — Telephone company starts work on large concrete office building.

Pendleton — Old Byers mill rebuilt for capacity run up to 650 barrels daily. It will employ 25 men.

Hydro Chief

The provincial government of Ontario, Canada, has named C. A. Magrath, above, to succeed the late Sir Adam Beck as head of Ontario's \$250,000,000 hydro-electric system.

NATIONS ARE COMMANDED TO QUIT FIGHTING

League Council to Convene Monday to Discuss Action

BULGARS WITHDRAWN

Fighting Ceases, Temporarily Until Council Finishes Hearing

GENEVA, Oct. 23.—(U. P.)—Acting in an effort to definitely bring a halt to the Greco-Bulgarian hostilities, the League of Nations today warned the warring parties to refrain from hostilities, and summoned its council to act on the crisis Monday. The council will convene Monday afternoon in Paris, this being the earliest date which would permit the arrival of the Greek and Bulgarian representatives, who will sit as members of the council. This action was undertaken by the French Foreign Minister Briand, as president of the League's council, following the appeal by Bulgaria under Articles 10 and 11 of the League covenant, demanding immediate convocation of the council on the Greco-Bulgarian conflict.

ATHENS, Oct. 23.—(U. P.)—The Bulgars have been driven completely from Greek soil. The Greek occupation now extends through most of Petritus district, including the towns of Coula, Petritus, Hursova, Vraca, Catospanitis, Cabinit and Maricoastino, and the Greeks intend to remain in this area until Bulgaria has satisfied the Greek demands for reparations, but if the Bulgars attack again, the Greek advance will be resumed.

PARIS, Oct. 23.—(U. P.)—The Greek legation here today announced that Greece has decided to withdraw her troops from Bulgaria, as soon as the result of the conference between the representatives of the two governments is known.

ATHENS, Oct. 23.—(U. P.)—Greek forces are occupying seven villages near the Macedonian border, and have captured 25 Bulgars. They have also occupied, after bitter fighting, the outpost of Domirkapon, in the vicinity of Dermirhisar.

GAME LAW VIOLATORS ARE ON DECREASE SAY WARDENS

Hunters of Jackson county are becoming better sportsmen, both in regard to poaching and bagging over the limit. "It is becoming dangerous for the game hog or the poacher to exhibit himself where sportsmen are hunting, for he is liable either to be turned in or to receive a real beating up for his unsportsmanlike conduct," Parr continued. The game wardens of Southern Oregon have received a lot of valuable aid from the Jackson County Sportsman association, according to Parr. This organization has worked hard to cut down both poaching and game hogging, and their efforts have been successful, the game warden declares. Pat Dalley, the second game warden stationed in Jackson county, did not make more than three or four arrests during deer season, Parr stated. The game wardens believe this to be a new record for Jackson county, and they are appreciative of the efforts of the sportsmen to aid them in their game protecting work.

WALL STREET ENJOYS EIGHTH BOOM DAY

NEW YORK, Oct. 23.—(U. P.)—Wall Street went through another big day today, sales totalling 2,522,900 shares.
