with, with her mysterious brew was there in the person of Miss Sylvia Greenleaf of Medford, who stirred up some astonishing fortunes for the guests. A splendid program of delightful numbers was given, interspersed with entertaining games. The program was especially well received and the games enjoyed most heartily. Those who contributed so much to the enjoyment of the evening were Miss Lolita Pierson in piano solo; Miss Lola Gilmore in readings; Miss Estella Jones and Mrs. H. S. Atkins in duet; Dr. Mattie B. Shaw in readings, accompanied by Miss Carbel Morehouse on the piano; Miss Hussey in vocal solo; Mrs. Wilmer Poley in readings. These numbers were all heartily enjoyed. Prizes were offered for the mothers who had the largest number of children in Hawthorne school. These were won by three ladies, Mesdames Baughman, Baldwin and Swenson. The prizes were beautiful bouquets of marigolds.

The refreshments also carried out the Hallowe'en thought, and the decorations in lovely golden flowers and candlesticks of black with orange candles gave added beauty to the appointments. After supper, all gathered about the piano while Miss Carson played and voices blended in a community sing of familiar airs. Miss Greenleaf and Mrs. Poley each kindly gave a number of readings as a pleasant close to a happy evening.

Baked Bean Supper—Junior High Circle of P. T. A. expect to have a Baked Bean Supper, Friday evening at the Junior High building, which will be served cafeteria fashion, from five to seven.

The social feature looms large in these gatherings, for the chief thought is to acquaint parents and friends with the teachers and each other, and thus all become acquainted with the needs of the school.

Just now some new equipment is required for the playground and the object, other than good fellowship, is to secure money for its purchase. All friends are invited to be present Friday evening to enjoy the Baked Bean supper.

Mushroom Hike—Wazyata Troop 2, Junior High Camp Fire Girls met Wednesday evening at the home of Eleanor Coombe, for organization and election of officers. Juanita Borgenson was named as president.

dent; Ella Bailey, vice president; Eleanor Coombe, secretary; Charlotte London, treasurer; Madeline Hill, scribe; Florence Borgenson, song leader. This troop has decided to work for honors, and are planning a Hallowe'en party and hike next week.

Other troops of Campfire Girls have been organized in the schools, all under competent guardians, which are planning a season of delightful activities. Two new members were added to Wazyata Troop recently.

Royal Neighbors Surprise
A New Member—The members of the Royal Neighbor Lodge planned a very happy affair Wednesday evening, in which the young son of the home of Mrs. J. C. Mergler, who is at the home of her parents, Mr. and Mrs. W. H. Hodgkinson, on Church street, was the recipient of a beautifully engraved silver cup, the gift of the lodge of which his mother was an efficient member, before her going to Medford to make her home. The baby appreciated his lovely gift very much.

Elks Ladies Card Club—Thursday, October the twenty-second marked the regular meeting of the club in its pleasant club room. At this time new officers were elected, resulting in Mrs. G. H. Hedburg, president and Mrs. Tony Franco, vice president. The retiring president, Mrs. B. S. Storm, was presented with beautiful yellow and white chrysanthemums, the gift of the Ashland Greenhouse. Six tables of bridge and five hundred were played; Mrs. Frank Merrill securing high honors in bridge and Mrs. William Ross in five hundred. The prizes awarded were lovely potted primroses.

The hostesses, Mrs. A. E. Kinney and Mrs. F. D. Wagner served dainty refreshments as the pleasant close of a pleasant afternoon. The second Thursday in November is the date of the next meeting.

Millinery Class—Thursday the 29th of October, is the date set for the Millinery Class which will be held at the home of Mrs. Jackson, on Iowa street. The Upper Valley Community Club wishes it announced that each wishing to take the work bring the materials she wishes to use. Miss Ada Brewster, county home demonstration agent will be in charge and will probably bring some material, but not enough to supply the class.

The hostess will furnish one hot dish and a hot drink, but as is the custom, the members will bring their sandwiches for the luncheon since this is an all day meeting.

For further information, call Mrs. Homer Barron, Mrs. Mark True or Mrs. Jackson, 606 Iowa street, members of the committee on arrangements.

The next regular meeting will be in November at the home of Mrs. Homer Barron. Those who wish to make hats are urged to come early.

Social Meeting of Auxiliary—Mrs. Elwood Hedburg and Mrs. Gerald Wenner were hostesses for the social meeting of the Auxiliary to Trinity Guild, which was an event of Wednesday evening, last, at the Parish house.

Mah Jongg was played by the guests, those securing prizes for their skill in the intricate game were Mrs. Claude Babcock and Miss La Vita Huff, the first named winning first place and the latter the consolation.

There was an excellent attendance and the evening was a delightful one at the close of which the hostesses served delicious refreshments.

This was the first social meeting of the season. This organization holds its meetings the first and third Wednesday evenings in each month.

Splendid Program—Friday night's program given by the Women's Missionary Society at the Presbyterian church was one of especial interest to those gathered to enjoy it.

This open meeting took the place of the regular meeting which would have occurred Wednesday afternoon. After devotional, Mrs. J. M. Ross, president, in a brief word of welcome and introduction, announced the first number, which was an interesting and well prepared paper on Alaska, in which Mrs. W. B. Plummer told of the country itself, as preface to the work being accomplished by the church in its educational and missionary program.

The great needs there, and the hindrances too, were cited and a plea made for interest that would express itself in workers and generous contributions. "First and Last," written by Kate W. Hamilton, was read by Mrs. W. M. Poley. Sympathetic interpretation was given the beautiful story of a little southern mountain girl who gave so generously of what she

herself had received using the opportunity as it presented itself, in her humble way, but which measured large in results. A song, written by E. O. Russell, and dedicated to Marion Lawrence, who will be remembered by many in Ashland, "A Little Bit of Love," was sung very expressively by Miss Eva Poley.

The other subject for the month's study, "India," was discussed in a paper written by Mrs. J. C. Mergler, which told India's story; its need and the opportunity offered just at the present time, and the great responsibility resting on the church for the accomplishment of that work. Special workers and churches were noted as was the mass movement in opening the subject. The writer gave her hearers a very definite idea in this splendid paper, of the work of the church in India.

A letter from Dorothea Abraham of Roseburg, who went out under the Presbyterian Board, and who with Miss Elsie Howell from this church, are teachers in the True Light Middle School at Canton, was read. This letter told of the June Commencement and her little visit with the class after the close of school. On June 15, Chinese friends begged them to leave because of the unsettled state of affairs and the imminent danger, so they, with a number of others, left for Manila, going to a place 160 miles from that city. Miss Elsie Howell was taken ill and removed to the Government hospital; later was able to be taken back to this resort, where she was recuperating when the letter was written. Eighty Canton missionaries are now at Manila. The last mail they had received was June first and came from Canton. She and Miss Howell are staying at the home of James D. Rogers, the first missionary in the Philippines. Miss Howell is still ill and Miss Abraham is teaching. They are not permitted yet to return to their work, from a letter received from Miss Abraham this week. Friends are more than anxious for their safety, for, prior to their going to China, the young ladies were well beloved teachers at Junior High.

The program closed with an entertaining monologue, "A Little Bit of Heaven," given very delightfully by Mrs. W. M. Poley. The story, while a character sketch and amusing, carried a message to the heart of the listeners.

The next open meeting will be given in November and is the annual Thanksgiving praise service, with the annual thank offering.

Social Circle Meets—The Social Circle of the Christian church are to be entertained at the beautiful country home of Mrs. Edwin Dunn, east of Ashland, on Wednesday October the 28th. There is a special program prepared for the afternoon, of interest to every guest. Cars are provided for those attending, and will be at the church at the appointed hour.

Items of interest to members of the Federated clubs, clipped from the Federation News, current issue:

Mrs. Dunbar Announced Honor Score Card
 At the Marshfield Convention the delegates voted to adopt an Honor Score Card, as recommended by the President in her annual address. The Score Card aims to develop an esprit de corps among the various clubs in applying a measure of efficiency to their own work and obligations, as well as in developing and promoting statewide interest in the projects which the Federation has from time to time endorsed and accepted as major activities.

During the Presidents' Procession at the next State Convention, each club will report the points listed on the Score Card and each club president will mark her own club's score sheet.

Many clubs are busily engaged in keeping a record of points already earned and keen competition for high scores is being predicted. Will not each club enter whole-heartedly into this plan?

To Eliminate Illiteracy—Every club in the O. F. W. C. is asked to give one hour of one program in October, 1925, to the consideration of elimination of illiteracy in America, which means in the community in which the club exists. This request comes from Mrs. Charles Long, Wash-

ington Street, Wilkes-Barr, Pennsylvania. "No illiteracy in 1930" is the division's aim. Mrs. Long has issued helpful leaflets available upon request, if postage is enclosed.

The Press and Publicity Institute held recently was remarkable for its large attendance. A registration of 125 for an institute conducted by a department as highly specialized as is that of Press and Publicity, was noteworthy.

Another milestone!
Future Issues of Copco Preferred Stock Will be Offered on a Six Dollar Dividend Basis.

The California Oregon Power Company announces with gratification that as a result of increased earnings and assets and improved business conditions it is no longer necessary to offer a return of seven per cent in order to obtain capital through the sale of its preferred stock.

A new issue of preferred stock now offered by the Company in the near future will carry a dividend rate of six dollars per share per year at a price to yield approximately 6 1/2%. It is available on monthly payments.

Three groups of people are interested in this announcement:

The Holders of the 7% Preferred Stock already issued.
 To this group our announcement means that the Company's Preferred Stock has materially advanced in value and favor, and that it will now be possible to reduce the expense of capital employed in additions and improvements. Dividends on the 7% Preferred Stock already issued are of course not affected by the reduction of the dividend rate of future issues.

Prospective Investors in Copco 6% Preferred Stock.
 Although the net yield of approximately 6 1/2% is lower than that obtained by earlier investors in the 7% Preferred Stock, both classes of stock have equal priority as to assets and earnings, and the reduction of dividend is a true indication of increased value and security.

The Company's Customers and the General Public.
 The Company's obligation to its customers and the public requires that service shall be rendered at rates which are just sufficiently clear of the cost to leave a fair return for the money invested in the Company. They are entitled equally with the stockholders to information about the Company's progress, and to the opportunities for investment which it affords.
