TOO CLOSE TO HOLLYWOOD

Alas for Los Angeles, city of homes and of Iowans, enter of Babbitry, her disgrace has been given formal hour. The supper is served the State Superintendent of secord in court." A woman died who had two residences, the one in Los Angeles, the other in Sacramento. Which was her "legal" home, the court wanted to know. And it discovered as convincing evidence, that the family Bible Circle Meets was kept in Sacramento.

Perhaps Los Angeles might plead, the Bible was P. T. A. will meet Friday afterept in Sacramento because there it was most needed. noon on October 30, at the 11- for assembly, Tuesday after-Lut we suspect that sort of argument would come after The fact, not before it. For the family Bible is not a missionary, a crusading tome. It is a spiritual reinforcement. Circle are urged to be present. It is the inspiration that would indicate where the heart Many things are to come before mer months, when only business 3. It shows in this case that it is in Sacramento that this woman found her spiritual consolations. Los Angeles has 1 artaken too much of the wine of Hollywood.

BRIAND HAS THE NOSE BLEED

Character consists of what people think you may do. And since the people of Paris got wildly excited Tueslay over a report that Caillaux and Briand got into fist fight in which Call any was said to have broken the with the holiday spirit, and a bers of the Ladies Art Club as early ploneers in this valley, she Foreign min ster's nose, the rumor sets the character of what gossipy Paris thinks of its president cabinet. Painleve denies, with much precision, that there was any their amusement. quarrel. But Paris thought there was.

The situation was to be expected. No servant can be reater than his master with happy results. Perhaps we ught all be on a level, but if there are differences in 1 orm, they should coincide with differences in fact. Cail-Jaux had the reputation of being politically stronger than the prime minister of France. That in itself has been the oundation for a cabinet crisis.

CONGRATULATIONS FROM EDNA

There are many of us who, with a smile, have noticed church as complimented guests. ing for the south on Friday. The the news that De Wolf Hopper has married again. The mile is partly for the marrying, partly it is for De Wolf lopper. He has at various times in the past given us No Hostess Lunche many a hearty laugh, and why should we not be cheery Tuesday, Nov. 3, is the date Tow that he, at 66, sees something yet of life and hope set for the No Hostess luncheon and outlook, the adventurousness of the future years. The cynic says that five times should be enough and De tel. The luncheon is the special Volf is surely a hound for punishment. The optimist says feature of the regular meeting hat De Wolf is persistent in the ways in happiness. And of that date. ince Hopper is but a mime, to the most of us, not a neighor, but just a type, let's not be too harsh, if we are moralists, about the man that we know not.

There is a certain joyous humaness about the reviction of Edna Wallace Hopper to the news. Edna was Atter luncheon the club will the third wife, in the list that now equals that of Jolly adjourn to the ball room, where in the pretty decorations. Ding Hal. When she heard of the sixth adventure of the Tian whose name she is still proud to carry, she immed- as special numbers, a Travel Talk business meeting, resulting in stely wired congratulations. And she credits the new by Mrs. F. G. Swedenburg and idy, as well as herself, with the major portion of the an address, "The Home Beauti- Mrs. Ambrose, vce president; !ame: "It is one thing to catch De Wolf Hopper, but it ful," by Miss Ada Brewster, the Mrs. Marske, treasurer, and Mrs. 3- certainly another thing to hold him in the bonds of agent. atrimony," she said.

TRIBUTE OUT OF DATE

e right to own and operate a coal mine, and the gight to work or not do work at a stated wage, may both e God-given. But the fact remains that this country is too big and too versatile to be wrecked by either side in Springs Pharmacy, rike: there are other fuels, other workers, other apital, that will work just as well or better. The day f strike or lockout to force the public to overpay as P. T. A. held Friday evening, and Mrs. Beaver served delicious ribute or ransom, is getting well past. Manufactured at the school house was in the as is rapidly taking the place of coal in home and fac-hory, while the electrification of railroads will help elimmate the coal shortage fears of transportation compan-

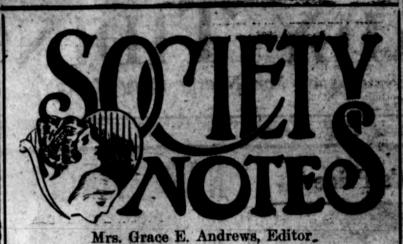

Extending a helping hand is commendable, but a and with something in it is more practical.

The trouble with running away with a wad of money that you have to go farther than it does.

It has been said that the night has a thousand eyes that is far too few to see all that goes on.
