Old Mr. Carter Helped By Simple Mixture
"After taking Adlerika I feel better than for years. At my age (60) it is ideal—so different from other "medicines." (signed) W. Carter. Adlerika is a simple mixture of buckthorn bark, glycerine, etc., which removes GAS in ten minutes and often brings surprising relief to the stomach. Stops that full, bloated feeling. Brings out old waste-matter you never thought was in your system. Excellent for chronic constipation. McNair Bros. Drug-gists.

analyzed the Creole Song as to motive, phrase and period. Following a discussion of the symphony, Beethoven's "First Movement of Sonata Appassionata" was played by Miss Imogene Wallace, who analyzed and told the story of the composition. In the different numbers each one on the program was especially well prepared and presented her phase of the subject very entertainingly. At the close of the program Mrs. Fuller announced a committee to prepare the program for the Civic Club meeting which will be given December first. Those who will act are Mrs. H. S. Atkins, chairman, Miss Aileen Shepherd and Mrs. Fred Neil. A critic, for pronunciation of musical terms and correct terminology was also appointed. Mrs. Alice Willets will act in that capacity during the rest of the year. Miss Shepherd is chairman for the November meeting. It is expected that the second order of the study books will have arrived before that time so every one will be supplied with the text. French Class Meets—The French Club under the efficient direction of Mrs. T. J. Malmgren organizes today at the home of the president, Mrs. W. M. Poley, for the season's study. The work will be planned for the year. Vanishing Parties—The description given below of vanishing parties and why they came into being will be of interest to those who will make up the guest or hostess list in the series now being given in Ashland. A new Women's Building to provide adequate quarters for the women students of Albany Self-Help College is expected to result from a series of vanishing parties now being given throughout the state under the auspices of the Woman's Albany College League, directed and supervised in Ashland by Mrs. H. A. Stearns and Miss J. C. Mergler who were chosen for their interest in educational affairs. Need for this new building became evident some months ago when the rapidly increasing student body and the extended college program indicated that even the increased facilities offered by the new Administration Building, now under construction, would prove inadequate. After careful consideration, Mrs. F. I. Fuller, of Portland, president of the League, gave the first party, to which nine other women were invited. Each guest contributed \$1 to the building fund and agreed to be hostess to eight other women, each of whom would contribute \$1 and she hostess to seven women, who, in turn, will give a party for six, and so on, until the parties "vanish." By this democratic plan enough money will be raised to construct and equip a modern dormitory. Southern Oregon women who will be the first hostesses are: Roseburg, Mrs. I. N. Park; Glen-

dale, Mrs. W. E. Ross; Grants Pass, Mrs. George Blaine; Central Point, Mrs. L. MacFarland; Medford, Mrs. E. F. Lawrence; Ashland, Mrs. Walter F. Brown; Ashland, Mrs. J. C. Mergler and Mrs. H. A. Stearns; Klamath Falls, Mrs. W. R. Slough. Each of these women will in the immediate future, or have already, invited seven other women to be their guests. On Wednesday last, seven ladies were entertained at a delightful "College League Vanishing" afternoon by Mrs. J. C. Mergler at the Manor. Fancy work and friendly visit occupied the hours until dainty refreshments were served. Those who enjoyed this pleasant hospitality were: Mrs. J. W. McCoy, Mrs. George Brookmiller, Mrs. Earl Babcock, Mrs. Carl Brommer, Mrs. John Norby, Mrs. Randall Woods and Mrs. Beatrice Hitchcock. On Wednesday, Mrs. H. A. Stearns was hostess at a one o'clock College League Vanishing Luncheon with covers laid for seven guests. The piece de resistance at the beautifully appointed table was a delicacy not always attainable, namely, delicious veal, with toothsome accompaniment. The place cards containing a picture of the Women's Building to be built, added to the interest in the project. The guest list for this delightful function included: Mrs. E. A. Woods, Mrs. C. E. Pell, Mrs. H. K. Tomlinson, Mrs. Wirt M. Wright, Miss Blanche Hicks, Mrs. J. M. Ross, Mrs. C. W. Hanson. Each of the guests at both will then invite six other women to be their guests. "Southern Oregon has been given the honor of being named Series One, in recognition of our quick response," said Mrs. Stearns today. "By this simple, democratic program, a three-story brick and stone building, providing dormitory, class rooms for the Home Economics Department, college dining hall and social parlors will be given to the institution which, through its self-help program offers every young man and every young woman the chance to earn the money with which to pay for an education. Some men, learning of this work, have asked to be included in the parties, with the result that the assistance of men, women and children is cordially invited." Southern Oregon students now attending Albany Self-Help College are: Victor Arundel, men's glee club, Roseburg; Hoxey J. Borden, football, Medford; Guy Campbell, football, Myrtle Creek; LeRoy Childs, Kerby; Walter Dennis, president Pirate Knights, Rogue River; Leston Fate, Days

Future Issues of Copco Preferred Stock Will be Offered on a Six Dollar Dividend Basis.

The California Oregon Power Company announces with gratification that as a result of increased earnings and assets and improved business conditions it is no longer necessary to offer a return of seven per cent in order to obtain capital through the sale of its preferred stock. A new issue of preferred stock now offered by the Company in the near future will carry a dividend rate of six dollars per share per year at a price to yield approximately 6 1/2%. It is available on monthly payments.

Three groups of people are interested in this announcement:

- The Holders of the 7% Preferred Stock already issued.** To this group our announcement means that the Company's Preferred Stock has materially advanced in value and favor, and that it will now be possible to reduce the expense of capital employed in additions and improvements. Dividends on the 7% Preferred Stock already issued are of course not affected by the reduction of the dividend rate of future issues.
- Prospective Investors in Copco 6% Preferred Stock.** Although the net yield of approximately 6 1/2% is lower than that obtained by earlier investors in the 7% Preferred Stock, both classes of stock have equal priority as to assets and earnings, and the reduction of dividend is a true indication of increased value and security.
- The Company's Customers and the General Public.** The Company's obligation to its customers and the public requires that service shall be rendered at rates which are just sufficiently clear of the cost to leave a fair return for the money invested in the Company. They are entitled equally with the stockholders to information about the Company's progress, and to the opportunities for investment which it affords.
