McNAIR BROS.

CALIFORNIA CAR DAMAGED IN CRASH HERE (Continued From Page One)

vehicle law, which went into effect on September 1, motorists approaching a main traveled highway, must slow down to five miles per hour, and at all times protect traffic to their right on the main highway.

Parsons did not do this, according to McNabb, and will therefore be held responsible for the crash.

Williamina — Local men plan to build new mill here soon.

MAKE LIFE WORTH LIVING
Don't go around feeling tired, lacking in energy and strength, because your kidneys are not working properly. The use of FOLEY'S PILLS, a diuretic stimulant for the kidneys, will flush your kidneys, remove injurious waste matter and bring the kidneys back to a normal, active condition. "Your FOLEY PILLS are the only thing I got to do me any good," writes Samuel Brenner, Alexandria, Ind. Sold everywhere.

"I never have an accident"

That's what some people say. But can you be SURE that what has happened to careful people like you, may not happen in your case?

Statistics show that the yearly automobile accidents in the United States total about 500,000. That means that nearly every minute of the night and day an automobile causes injury or death. Let us tell you today how little it will cost to protect you from claims arising out of automobile accidents.
