Free Baby Clinic Well Attended.

The Baby Clinic which was held at the Ashland Public Library, December 17, was well attended.

There were 15 babies present. Several of the mothers brought two children each. A number of the children had been brought to the clinic before, the parents taking advantage of the periodic examination.

Dr. V. S. Geary is the examining physician. He was assisted by the nurses, Miss Vera Beard and Miss Leah Jennings, Miss Josephine Koppes from the County Unit office at Jacksonville, County Demonstration Agent Miss Ada Brewster and the local committee.

Of the local committee, Mrs. Harris Dean acted as hostess, meeting the mothers at the door and Mrs. H. O. Anderson and Mrs. C. F. Tilton wrote the histories.

Friends have been very kind in furnishing automobiles to bring those from a distance to the clinic. Mr. A. E. Kinney using his machine Thursday.

The committee appreciate this courtesy very much. The next clinic will be the third Thursday in January, probably at the Civic Club house, but announcement will be made later as to the place and date.

News From Mrs. Mowat.

From word received from Mrs. W. H. Mowat, she is enjoying her visit in Honolulu very much. She finds it is even more enchanting than it is pictured. It does not give the impression of so foreign a city as she had imagined. It is becoming Americanized very rapidly. A visit to an Oriental Kindergarten proved an interesting experience. In it were 63 little Chinese, Japanese and Koreans from two and a half to five years, all American citizens.

Handy Things to Own

A small, rubber-lined pocket for the traveler and a pretty wall case are shown above, and they are handy things for anyone to own. Crotonne is used for the pocket and ribbon cloth for its lining. It is made in the form of an envelope, and will carry washrag, comb and toothbrush in its larger compartment. A smaller pocket for a pocket puff or soap is stitched under the flap and snap fasteners manage the closings.

A foundation for the triangular wall case is made of cardboard and covered with silk, crotonne or crepe paper. A hole punched in the back serves to hang it on a tack in the wall, near a dressing case or table. These gifts are suited to both men and women.

Mrs. Nicholson was Miss Lu-

elle Anderson and is the sister of Mrs. Crandall. She has visited in Ashland and was a popular member of the younger set while here.

Mr. Nicholson is the son of Mr. and Mrs. W. E. Nicholson of Medford, and has a large circle of friends who offer congratulations upon his marriage.

The following from the Hillsburg Evening Record, will be of interest to friends in both Medford and Ashland.

"The marriage of Miss Lydia Anderson to Theodore Nicholson of Medford, Oregon, son of Mr. and Mrs. W. E. Nicholson, was solemnized at the home of the bride's parents, Mr. and Mrs. M. Anderson of this city. The Rev. A. B. Morris read the service.

"The simple ceremony which took place in the presence of only members of the immediate family and intimate friends had an attractive setting. An arch was formed of Oregon Grapes in the living room and in the background was a bank of the same vivid autumnal foliage with ferns. In effective contrast, roses chrysantheums and carnations were arranged in profusion about the home to conform with the prevailing motif of pink and white.

"The bride was unattended and wore a graceful frock of beige crepe.

"A wedding breakfast was served after the ceremony and the couple left shortly for Portland, where they will visit before going to southern Oregon.

"Mrs. Nicholson is a graduate

of the Hillsburg high school and the Washington State Normal School and was with Mr. Nicholson, a student at the Oregon State Agricultural College. She was affiliated with the Alpha Rho sorority and was a member of the Madrigal club, an honorary musical organization. For the past year she has taught at Bend, Oregon.

"Mr. Nicholson's fraternity affiliations are with Kappa Delta Sigma.

"The good wishes of a host of friends followed Mr. and Mrs. Nicholson to their new home.

program well worth seeing to see and hear. The girls' chorus furnished special number, that were cheerfully and bravely received. These were songs of the season and meant hours of faithful practice.

The English classes presented a play and the geography classes a dramatization, both splendidly performed.

The presentation of both dramatization and play meant hours and hours spent in preparation; not alone for pupils

The word "fail" is not included in the golden dictionary of youth.

But it is repeated many times in the pages of middle age where the fruits of the early years have been wasted.

Regular saving in youth is the surest protection against failure in later life.
