NEW EXPERIENCE FOR SANTA CLAUS

By W. D. PENNYPACKER

THE captain and Mrs. Pickering promised to play Santa Claus. They loved to do a little toward making the day bright and spreading the holiday spirit. Christmas is the children's day. It is not for the children, then for the sick aged—but always some part. This time it was different. They themselves, nervously awaited the day. It was to be unique. They were to help in a festive occasion at a state's prison.

That was a memorable day for Mr. and Mrs. Pickering. They had given a little of themselves in their desire to cheer others, and in doing so the chimera of gladness were started with renewed vigor in their hearts. They had learned something, too. They were much wiser. They became conscious that there is no soft so dark that it will not respond promptly to the sunshine and gladness of Christmas. The almost instantaneous change in the expressions of many faces was entirely convincing. Christmas had come, and again it had impressed the old, old message of peace and good will to men.

HONOLULU HERE WE COME, SAY POULTRY

PORTLAND, Dec. 31—(UP)—The master of the motorship Carriso, in the trade between the Columbia river and Hawaii, is not a chicken rancher—but he may think he is.

The Carriso is now on the Pacific heading for Honolulu with 1000 chickens on board, all destined for the Honolulu Christmas trade. The vessel is taking them over alive, because Chinese for whom they are destined, are adverse to buying poultry of any kind for their own use unless it is alive. That is an old oriental custom.

The Carriso has another strange Christmas parcel on board. Part of her cargo is a shipment of Christmas greens such as cannot be found in the islands.

275 DEER ARE SLAIN IN SINGLE SECTION

PORTERVILLE, Cal., Dec. 31—(UP)—The latest check shows that 275 deer were killed in the mountain district back of Porterville during the hunting season this year, according to Game Commissioner O. P. Brownlow. The district includes Mineral King, Kern river country and neighboring resorts. Brownlow reports that his district is becoming noted for good hunting, this accounting for the large number of deer killed, as more hunters "got their buck" in that section.

DR. DOAN'S KIDNEY PILLS

It's well to be a doctor if you can't cure a case of kidney trouble. My back ached constantly and my kidneys acted too frequently. My limbs and feet were swollen and I had dizzy headaches and nervous spells. I used different remedies but didn't get any better until I tried Doan's Pills. They soon helped me.

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Booth had. Foster-Milburn Co., Mfrs. Buffalo, N. Y.

All Out of Sorts?

So Was This Ashland Woman Who Tells Her Experience

All too often women accept their pains and aches as natural to their sex. They fail to realize that weak kidneys are often to blame for that back-ache, those headaches, dizzy spells and that tired, depressed feeling. Thousands have found new health and strength by helping the weakened kidneys with Doan's Pills—a stimulant diuretic. This Ashland case is one of many.

Mrs. Sarah Booth, 338 B St., says: "I was in a bad condition with kidney trouble and became so weak and run down I could hardly walk. My back ached constantly and my kidneys acted too frequently. My limbs and feet were swollen and I had dizzy headaches and nervous spells. I used different remedies but didn't get any better until I tried Doan's Pills. They soon helped me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Booth had. Foster-Milburn Co., Mfrs. Buffalo, N. Y.
