Men Who Are Making America
The plain, everyday Americans who are earning their living with hand and brain and skill these are the men who are making America.
There are no more valuable accounts on the books of the Citizens Bank of Ashland than the rapidly growing hundreds which belong to ambitious men and women of this type.
*With them, earning a living is not all. They are providing for the future as well—their own and the future of their families.
We regard it as a privilege to help these earnest-minded citizens to make the most of their lives and opportunities.
