Surprise Party—
Mrs. George Robison was surprised by a group of her friends at her home at 78 Second street, Friday evening. Interesting readings were given with games to fill the social hours, until delicious refreshments of ice cream, cake and coffee were served the guests.

The surprise had been planned for Mrs. Robison's birthday, and her friends brought to her commemorative of the occasion a beautiful silver bread tray.

Past Matrons' Club—
Miss Lydia McCall was hostess Thursday evening at the meeting of the Past Matrons' Club, at her home on Oak street. She was assisted by Mrs. Leah Caldwell.

After the usual business session, Mrs. F. F. Whittle, Junior Past Matron was initiated into the club.
In entertainment, the members were provided with pictures and were instructed to each prepare a valentine, with the appropriate verse descriptive of the subject chosen. In the amusing contest, the results of which were some very clever valentines, Mrs. C. W. Nims received the prize.

Dainty refreshments were served by the hostesses, assisted by Mrs. J. M. Wagner.

Those present to enjoy the delightful evening were the Mesdames F. G. Swedenburg, C. W. Nims, A. E. Kinney, Elizabeth Van Sant, Sackett, Jordan, Walter Everton, August Schuerman, F. F. Whittle, Leah Caldwell, W. H. McNair, L. A. Roberts, Briggs, Miss Georgie Coffe and Lydia McCall.

Annual Banquet—
The Jackson County Medical society held its annual banquet at the Lithia Springs hotel Wednesday evening with the wives of the physicians as complimented guests of the organization.

"Dr. J. J. Emmons of Medford was toastmaster at the five course turkey dinner at which covers had been laid for fifty guests.

A very pleasing program was presented during the banquet hour, with the toastmaster entertaining the guests with a very clever bit of legerdemain.

These who contributed to the pleasure of the occasion were Mrs. W. W. Vinson, heard in delightful piano selections, Dr. Mattie B. Shaw in two entertaining readings and Mrs. J. C. Hayes in a group of beautiful songs.

Short talks were given by Dr. E. B. Pickett, Dr. E. A. Woods, Dr. F. G. Swedenburg, Dr. J. C. Hayes, Dr. W. H. Heckman. They were largely interesting reminiscences of work in the valley.

This was the fifth annual banquet, and all present voted it one of the most successful social events in the history of the society. The attendance was large. All Ashland members were present and a fine spirit of sociability seemed to be especially noticeable at the gathering."

Save it Now. It may be gone tomorrow
Small change carried around is a constant temptation to foolish spending. A savings account in the Citizens Bank of Ashland will enable you to put these small sums at work earning interest for you. Many people find it hard to meet fixed payments at a certain time and find that a savings account which permits them to save a little and often is the best way for them to get ahead. It would be a good plan for you. Why not open an account at this bank?

The HIGHWAY TO LIFE

Millions Now Living Will Never Die

Not in any past ages was the Highway to Life opened up; for in all past ages men have continued to die. The Highway to Life means what the words imply; namely, a way by which the people can get eternal life here, now.

The casting up of this highway and the gathering out of its stones is in progress before our eyes.

The way of the people, a way they have never hitherto had, is being made ready for them—the way by which they will gain everlasting life on earth.
