 E. C. Miller, Pastor  
 When the First Baptist church voluntarily surrendered its name to the Ashland Baptist church it was undecided by what name we should be incorporated. We have now decided upon the name at the head of this announcement: "The First Full Gospel Temple of Ashland." We will still continue to worship in the building until further arrangements can be made. "Stop! Look! Listen!" will be the theme for the Sunday morning sermon by the pastor. Evening, "A New Thing in the World," will be the subject. Popular questions and answers at the evening service. **Dividends Regularly for 40 Years**

Constant war on waste  
 Products of first quality  
 Uninterrupted dividends  
 Stability of earnings  
 Small profits per pound on large volume

The life history of Swift & Company's operations is thus briefly summarized.

The chemical laboratory and the constant search for improved methods have reduced waste to a minimum. They have also enabled us to improve greatly the quality of your meat.

Thrift and conservative policies have made it possible to pay dividends without interruption for 40 years, although our profits have averaged only a fraction of a cent per pound of product.

Swift & Company's thrift has benefited others besides Swift shareholders. A portion of the gains resulting from thrift is passed along to the producers of the stock and to the consumers of meat. Competition sees to that.

**BOY!**  
 this Gasoline is  
**different**

—as different as a nor'east gale from a summer zephyr. There's stuff in this gasoline—action that takes hills like a hawk, response that gets you away like a rabbit at your slightest touch.

Every day, General has everything that real gasoline should have. It's always the same—always the best that we know how to make it. General never has an off day.

Stop at the Green and White Sign and say "General" to the Independent Dealer. Then you'll know what we mean by "different."

The dealer is a man worth while. He owns his own station. He has to give you the best of gasolines to keep you coming back for more. That's why he serves General. "Fill up your tank and let your engine decide."
