Where was sour stumbling-block?

Every home has one.

Sometimes it's the chair by the telephone; sometimes a kitchen stool, or an unsuspected plaything the youngsters have left in the hall.

Whatever it is, it's lurking somewhere about the house-in the dark.

Switch on the lights!

Light rooms-light halls-light stairways never harbor these dangers to careful grownups and running children. Keep enough lights going throughout

the house to make every part of it quick of secess—and safe! Electricity is the cheapest service
