NEW CASES OF GRIPPE REPORTED IN ASHLAND

Local People Urged to Use Vigorous Measures to Combat Further Spread of Deep Grippy Colds.

PNEUMONIA CHIEF DANGER

Grippe Attacks Weaken Body's Resistance to Germs of Pneumonia—All Colds Should be Treated Promptly.

Deep grippy colds have been unusually prevalent here this winter. The situation is fairly general throughout the States. In some sections these colds are called "influenza," but the majority of health officers report that they are much milder than the original epidemic and resemble more closely the old-fashioned grippe. They are usually accompanied by a headache or aching feeling over the body, "running of the nose," sneezing and frequently by gastric and intestinal complications such as hiccoughs, nausea, diarrhea, etc.

Colds are too often neglected until they have lowered the vitality sufficiently to permit the lurking germs, which cause pneumonia, bronchitis and influenza to attack the body.

Don't Take Chances

The only safe plan is to attack a cold right at the beginning. A hot foot bath, a laxative, a "sweat" and a vigorous application of Vicks Vapo-Rub at bedtime over throat and chest will often break up a cold over night.

For hours after Vicks is applied the vapors of camphor, menthol, eucalyptus, thyme and turpentine, released as vapors by the body heat, are inhaled directly into the bronchial passages. At the same time it warms and stimulates the skin like a poultice, "drawing out" the soreness and pain.

It is an obstinate cold indeed that can resist this direct, sensible action.

Vicks Vapor Steam

If the air passages are stopped up, try the "teakettle and tent" treatment. This method—fully explained in the directions—consists, briefly, of vaporizing Vicks in a teakettle and arranging a newspaper "tent" over the patient's head so that the combined warm steam and medicated vapors can be inhaled.

Mothers especially appreciate Vicks for the frequent colds of children, as it can be used freely and often, without disturbing the digestion—you "just rub it on." Over 21 million jars are used yearly.

Flnds Relief After Six Years Suffering

Mississippi Strong in His Praise of Dr. Thacher's Liver and Blood Syrup

"I suffered with indigestion for six years," said H. L. Alexander, McNeill, Miss. "I had gotten to the place where I could hardly eat a thing. I had smothering spells and fell off twenty pounds. I decided to try Liver and Blood Syrup. I gained in weight. I've not had a bad spell of indigestion since. I believe Liver and Blood Syrup is the best liver medicine made. I cannot say enough for what it has done for me."—East Side Pharmacy.

Are You All Run Down?

Many Ashland Folks Have Felt That Way

Feel all out of sorts? Tired, achy, blue, irritable? Back lame and stiff? It may be the story of weak kidneys! Of toxic poisons circulating about! Spitting blood and nerves. There's a way to feel right again.

Help your weakened kidneys, with Doan's Pills—a stimulant diuretic.

Doan's are recommended by many Ashland people: Mrs. Shell Hayes, 195 Laurel St., Ashland, says: "I have always found Doan's Pills a good kidney remedy. I had attacks of kidney complaint and my back ached and pained. I felt dull and tired, especially mornings. My kidneys acted irregularly, too. I used Doan's Pills and it was not long before they gave me relief. They strengthened my back and kidneys."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Hayes had. Foster-McMillan Co., Mfrs., Buffalo, N. Y.

FOREST RANGERS LOCATE LOST MAN

PORTLAND, Ore., Feb. 23—(U.P.)—A forest ranger may be called on to do almost any sort of duty, reports to the district headquarters here show. Illustrative of this was a report describing a six-hour search for a lost hunter, lying where he accidentally had shot himself.

The man was Fred Creighton, rancher of the Malheur National forest. He went hunting and failed to return the following day.

A telephone report asked Arthur Radtke and K. H. McCool, rangers, to look for him. Accompanied by two volunteers, they walked nearly ten miles before they heard the man's dogs and found Creighton.

The hunter had shot himself through the thigh and back. Rags stuffed in the bullet holes
