

**NEW AIR LINE TO  
START APRIL 6TH**

**New York Will be Only 30  
Hours Away From  
Pacific Northwest**

WASHINGTON, D. C., March 2—(U.P.)—The Pacific northwest will be only 30 hours from New York after April 6. Postmaster General New announced today. A new air mail line will operate daily from Pasco, Wash., via Boise, Ida., to Elko, Nevada, where it will connect with the transcontinental air line.

**Arrest Two More  
Murder Suspects**

LOS ANGELES, Cal., March 2—(U.P.)—Two more suspects were under arrest here today in connection with the murder of Motorcycle Officer E. H. Griffin at San Gabriel last month. The suspects are Antonio Rojo and Louis Delorme. Another suspect is being sought. Rojo is said to have made a partial confession.

**Washington State  
Products Law Not  
Legal, Says Court**

WASHINGTON, March 2—(U.P.)—The Washington state products quarantine law is illegal, the United States supreme court ruled today.

This reversed a state court decision upholding an order by the state director of agriculture prohibiting the Oregon-Washington Railroad & Navigation company from bringing into the state alfalfa hay from territory said to be infested with alfalfa weevil.

**FINAL REHEARSALS  
NOW IN PROGRESS**

of the performance and the smoothness with which the show will be handled.

Much has been done in recent years in stage lighting, and by the use of colored lights, baby spots and similar stage equipment it is possible to present beautiful stage effects and transform the simple settings into wonderlands of color.

From the way in which the advance ticket sale has been received by the public, it indicates two full houses for the performance, and it is recommended that those holding advance tickets bear in mind that reservations can be made Friday at the "Rose Confectionery" and the first there will get the pick of the seats.

Baker — Syndicate pays \$30,000 for three copper claims in Mother Lode district.

Astoria spent \$41,443 in 1925, in repairing and enlarging port facilities.

**"A Long,  
Long Trail  
A-Winding"**

23,000,000 American women hang 275,000 tons of home washing on 600,000 miles of clothesline every week. Blue Monday's, right; Put it in the land of your dreams by making our phone your clothesline. Phone 165 and your washing is done, dried and delivered according to your orders.
