Society

(Continued From Page Two)

March the twenty-third. The celebration will take the guise of an old fashioned party and everyone is expected to dress in old fashioned raiment. Plans will be announced later as to entertainment.

Mrs. Fred Engle was program leader and she was assisted by a number of others. The first number was the missionary hymn, "Highway of the King," sung very feelingly by Mrs. James Lennox and Mrs. Homer Billings.

"Prayer and Missions," is the book under discussion, and at this meeting the fifth chapter was presented.

Mrs. Mallicoate gave the wonderful story of Pandita Ranabi—a thrilling narrative and Mrs. Ralph Billings discussed the life and work of General Fong of whom the world hears so much today.

A beautiful poem, "Highway of Hope," was read by Mrs. Harry Yeo and Mrs. Anguin sang: "In the Secret of His Presence," in closing.

There was a large number present to hear the splendid program, and deeper interest than ever was manifest in the study of the book.

Wednesday Club Meets—
On Wednesday afternoon of this week the Wednesday afternoon club will meet in the church parlors of the Presbyterian church.

Mrs. W. M. Poley and Mrs. J. C. Mergler are hostesses for the afternoon and a pleasant social hour is planned.

Special numbers are planned for the program and at the business meeting the chief feature will be the election of officers.

Because of this, and other matters of importance, all members of the Wednesday Club are asked to plan to be present.

All who come, bring thimbles for there is needle work to occupy busy fingers during the social hour.

Ladies of the congregation and friends are especially urged to attend for there will be a good program, something for every one to do, and dainty refreshments at the close of the social hour.

J. C.'s Have Hike—
The J. C.'s, a class of young girls in the Presbyterian Sunday school, with their teacher, Mrs. W. M. Poley, enjoyed a delightful hike Saturday.

This class has a social meeting once a month and this time it took the form of a hike instead of a business meeting and party as usual. The girls have wonderfully nice times together.

Delphian Groups Meet—
Tuesday, March the ninth, at 2:00 o'clock, the different Group meetings of Beta Chapter of the Delphian Society are held.

Mrs. Peruzzi's group ill meet at the home of Mrs. E. A. Woods, the group under the supervision of Mrs. H. C. Galey will assemble at the home of Mrs. K. P. Nims and Mrs. Fineran's group will hold its meeting at the home of Mrs. G. H. Wenner.

All members are urged to note the different places of meeting and plan to keep that date for the particular group to which they belong.

Go To Woodburg—
The Women's Presbyterian Society will hold in Roseburg Thursday and Friday of this week and there will be quite a number, representing the different Missionary organizations of the church in attendance. Some will probably drive, if nice weather continues.

High School Camp Fire Girls Meet—
Wednesday evening March 3, the Ashland High School Camp Fire girls gathered for their weekly meeting in the High School sewing room.

At present, the particular aim of every Camp Fire girl is to earn the required merits for the rank of wood gatherer.

These requirements were the principal topics for discussion throughout the meeting and every member was asked to present a list of her honors at the next gathering.

A committee was appointed to plan for a Camp Fire Service to be held next Sunday evening around a Camp Fire.

Junior High Circle—
Junior High Parent-Teacher Association has its meeting on Thursday of this week at Junior High Building, at 3:30 p. m.

Because of conflicting engagements, on Wednesday, the former day for this organization to meet, it has been decided to use Thursday instead, hoping in this way to avoid conflict.

An interesting program is promised. Mrs. J. W. McCoy will speak on "Imagination, Its Place in the Child's Life," and there will be the usual reports and business meeting in which every member should be interested.

All members and friends are asked to note the change in date and plan to attend Thursday's meeting.

Bereans Entertained—
Thursday afternoon Mrs. Fland Wilkins of C street, assisted by Mrs. J. H. Philpott, entertained the Bereans.

The afternoon had been planned in honor of the retiring teacher, Mrs. Frank Beswick, and a handkerchief shower testified to the loving regard of the class she has so ably taught for some time.

It was a St. Patrick's affair and games in keeping with the good old Saint's Day were played. The decorations used in the tea service and the napkins carried out very prettily the thought of the afternoon.

Mrs. O. F. Carson will again assume the leadership in this

class which she taught for so long.

An announcement was made at this time of an entertainment which the class will sponsor. Dr. Majilo E. Shaw will present Enoch Arden, Thursday evening, March 11, at the Baptist church. She will be assisted by Mrs. E. A. Woods.

Too much cannot be said in praise of this entertainment. All who attend will be more than repaid for the effort in pleasure in the delightful presentation. Dainty refreshments of tea cake and jello were served at the close of the social hour.

Mrs. Schwein Entertains Business Girls' Club—
Mrs. Bella Schwein was hostess at a delightful and attractive dinner party at which the members of the Business Girls' Club were guests and in compliment to one of their number, whose birthday was commemorated on this occasion.

The table, at which covers were laid for twelve, and a delicious turkey dinner served, was artistically decorated in lavender and pink.

The tiny candles at each plate, the four large candles at the ends of which were packages concealing the gifts for the guest of honor, were all in lavender and pink. The lovely hand painted place cards made by the young daughters of Mrs. Schwein were springlike in their decorations.

Remember how they used to hitch Old Dobbin to a windlass and drive him 'round and 'round—lifting hay and doing heavy chores?

Even then, you couldn't hire Dobbin for less than \$2.50 a day — say 25 cents an hour.

Yet an hour's work for an electric motor using one horsepower of electricity usually costs only 7 or 8 cents.

Most household appliances use tiny motors of only 1/10 or 1/8 of a horsepower. You can run them ten hours for seven or eight cents.

And they are faster than Old Dobbin ever dreamed of being, when he was a colt.

Electricity is the cheapest service you can buy.
