## Everfast colors last as long as the cloth itself

**AT LAST** you can have for yourself and your children wash blouses, suits and dresses that will not fade, no matter how they are washed and worn.

We unreservedly guarantee that Everfast Suiting is absolutely

**FAST TO SOAP AND BOILING**  
**FAST TO SUN AND WEATHER**  
**FAST TO PERSPIRATION AND URIC ACID**  
**FAST TO EVERYTHING IT ENCOUNTERS AS A DRESS, BLOUSE OR SUIT FABRIC.**

We will promptly and cheerfully return your money not only for every yard of Everfast Suiting which, for any reason, does not hold its color, but also **THE COST OF MAKING THE GARMENT.**

Everfast Suiting has been rubbed and scrubbed with the strongest kinds of laundry soap, boiled in washing soda, and exposed for weeks to sun, wind, rain and salt air without losing color in the slightest degree.

Everfast Suiting is preceded by a special process. It is one yard wide—mercerized—and comes in all popular colors. The name "Everfast" is stamped every yard in the selvage.

Next time you are in the piece goods department, ask for a sample swatch of Everfast. Take it home, test it in any way you like and prove to yourself that here at last is an absolutely fast-color wash fabric.

**Teaching Wagner Creek School**—Mrs. C. W. Hanson will teach the Wagner Creek school this afternoon in place of Albie Beck, who was called to Jacksonville to appear as a witness.

### Return to Salem

J. A. Churchill, president-elect of the new Ashland normal school, and Mrs. Churchill returned to Salem by motor this morning after a week-end visit in the city, during which they made tentative arrangements to remove here permanently later in the spring when Mr. Churchill will begin active supervision of the normal school work.

### Here From Portland

D. G. Freeman of Portland, for several years head of the "Buy Oregon Products" bureau of the Portland chamber of commerce, was in the city over the week-end with Mrs. Freeman.

### Portland Dealer Here

Mr. and Mrs. John K. Leander of Portland were visitors in the city Saturday night and yesterday. Mr. Leander is a prominent Portland automobile dealer.

### Here For Picnic

Tom Johnson and family of Klamath Falls were among the out-of-town visitors to enjoy Sunday at Lithia Park.

### Here From Klamath

R. C. Groesbeck, well known Klamath Falls attorney, and one of the directors of Klamath's new tourist information booth at the junctions of the highways, was in the city yesterday with his family and enjoyed an outing in Lithia Park.

### Business Visitor

A. H. Bower of Eugene, representing the Ralph Schneeloch Company of Portland, was a business visitor in Ashland today.

**Only STEEL**  
could meet a test like this!

## A Dodge Brothers Motor Car . . . A speeding truck racing down hill and out of control . . . A collision . . .

Take one look at this photograph. It is not pretty, to be sure, but it will convince any sensible man that all steel construction is the only safe construction for a motor car body.

That is why Dodge Brothers introduced the all steel body more than eleven years ago, and this year greatly improved and perfected it.

In fact, Dodge Brothers are convinced that the day is not far off when wooden motor car bodies will be a curiosity. People will shudder at the thought of having ridden in them and will thank Dodge Brothers for the greater safety, durability—and beauty, too—of all steel construction.

A steel body will stand up under impacts that would crush the average body to bits. Steel cannot splinter. Steel cannot burn. Steel is an armor of protection on the crowded, hurrying highway.

Outwardly, nearly all types of bodies appear to be all steel. In reality, however, most of them are simply frames of wood covered by a metal shell.

Dodge Brothers Motor Car bodies are steel through and through—steel reinforced by steel—buttressed and braced by steel—even the frames and running boards are steel.

And slender, stronger steel corner posts replace the customary bulky posts of wood, affording full, unhampered driving vision on all sides—a safety feature of the first importance!

Travel in safety! Powerful, quick-action brakes, a chassis world-famous for its sturdiness, and a body of steel—these explain the enviable reputation for safety enjoyed by Dodge Brothers Motor Car—and the enviable feeling of safety enjoyed by those who drive it.

The car will continue to be a "four." No reasoning buyer will be distracted from the issue of QUALITY by mere CYLINDER propaganda.

Excise Tax Reduction Effective Now. No reason to delay your purchase
