Russell Type to be Purchased at Total Cost of \$2320 is Decision

FIRE HOSE PROCURED :

500 Feet Contracted for; City Engineer Submits Report of Work

First fruits of Ashland's city # managerial system were shown at the council meeting last # night when the city officials finished all business in a little more than an hour.

On recommendation of City : Manager Malone and the street committee, the council contracted at lishing his innocence beto purchase a Russell grader for # fore Judge Stadter. use in street improvement work. This grader gave the best results in competitive tests staged last week. The grader will cost \$1645, while new tracks for the rear wheels will cost \$675, or a total of \$2320 for the grader complete. The Claycomb Motor company will furnish the tracks for the grader.

To the A. G. Long and company of Portland was awarded the contract for furnishing the city 500 feet of fire hose. The with 2 per cent off if the bill is paid within 30 days. The council voted to take the needed amount from the emergency fund in order to take advantage of this discount. The fire committee and city manager recommended the Long company bid.

City Engineer Walker submitted a report on investigations which he has carried on relative to Ashland's possible futive to Ashland's possible fureport indicated that the Grizzly Creek district and the Buck watershed are both too costly as either would cost the city in excess of \$1,000,000. He Officials Decide on Improve. asks that he be given further time to investigate the country southwest of Mount Ashland. Mr. Walker also submitted a report on the construction of the irrigation canal from the Talent district, and showed where this work had been done much cheap-• cost but \$14,160.

POLICE WILL ASK FOR DOG CATCHER

Canines Reported Destroying Gardens in All Parts of the City

Because of the numerous complaints received from all sections of the city of the depredations of dogs, Chief of Police McNabb said today that he will ask the city council at its next meeting Big Eastern Star to appoint a dog catcher.

Several reports daily are being received by the police of dogs tearing up newly made flower and vegetable gardens and trampling over seeded lawns.

"Most of these dogs are without license and if the city will appoint a dog catcher for a month or so I think much of the present trouble will come to an end," said the chief.

Chamber of Commerce Nominating Election Brought To a Close

SUGGEST MANY NAMES

Total of 112 Receive Votes; All of Old Board Are Re-Nominated

Twelve candidates were nominated for directors of the Ashland chamber of commerce in the primary election which closed last night, in which but 65 members of the chamber cast

their ballots. Those nominated were: H. L Claycomb, V. V. Mills, A. E. Kinney, J. C. Hopper, G. A. Briscoe, William Briggs, George W. Dunn, F. C. Homes, Jack Milton, C. S. Richardson, Louis Dodge and Harry Tomlinson.

Due to the resignation as a director this week of C. H. Pierce, it was decided to select 12 nominees instead of 10 as was first decided, as there will be six directors to elect in the final balloting. Mr. Claycomb and Mr. Mills led the field by a substantial margin.

The tally sheet of the judges alomst resembled the chamber of commerce membership roster. as 112 names were suggested for directors. All of the five retiring directors were re-nominated for office. These were Mr. Briscoe, Mr. Briggs, Mr. Dunn, Mr. Mills and Mr. Homes.

Ballots containing the names of the 12 nominees will be mailed to all eligible members of the chamber tonight, and the voting will close at 6 o'clock next Monday evening, it was announced this morning at the

STANDARD CLEANERS **INSTALL MACHINERY**

Capacity of Plant is Doubled Because of Increased Business

The Standard Cleaners have found business so good in Ashland that they have doubled the machine capacity of their shop, according to Mr. Doremus, who stated they had installed a new washer and also had doubled the size of their deodorizing room.

Dry cleaning patrons today demand that dirty and spotted clothes be returned spotless and also odorless, and Mr. Doremus said they had procured the best machinery for this purpose.

For Dual Killing COOLIDGE REFUSES TO MEET STRIKERS

Textile Workers Unable to Get 'An Audience With President Today

WASHINGTON, D. C., March 17-(U.P.)-White House attaches today refused a delegation of striking textile workers from Passaic, N. J., an audience with President Coolidge. They sought a conference in order to present grievances against the employers. Everett Sanders, the president's secretary, told the strikers that their troubles must be taken up with the department of labor.
