SHRINE FILM TO BE SHOWN HERE SHORTLY

Interesting Scenes of Ashland Included in Hills Temple Pictures

INTERESTING FEATURE

Motion Pictures of Pathfinder Airplane Will Likewise be Shown

The moving pictures taken of the Hillah Temple Shriners Patrol in Ashland on Saturday, March 13, by the Copco camera-man have been returned to Medford, where they were given a preliminary showing last Thursday noon. It is being planned to have these pictures shown as an entertainment feature at some meeting of Hillah Temple in the near future.

These pictures show the Shrine patrol and drum corps in full regalia on parade through Ashland's streets. They were caught by the camera in many places, some of the pictures showing the Ashland Army as a background, and others the Lithia Springs hotel.

These Ashland pictures make a nice addition to the collection of films being shown free of charge throughout the field served by the California Oregon Power company, which depict local happenings of unusual interest under the title "Copco Current Events."

On Wednesday, March 17, movies were taken of the arrival in Medford of the first survey plane of Pacific Air Transport Company. This is the first plane of the coastwise Pacific Coast air mail service, and the moving picture will always have a historical interest, as it shows Vern C. Gorst, President, C. N. Comstock, Vice President, and R. C. Ryan, the builder of the plane, alighting from the airship at the Jackson County Fairgrounds, near Medford, on this "pathfinding" flight. Mr. Ryan officiated as pilot at the controls of the monoplane, with the other two as passengers.

The pictures will show them stepping out of the plane after the landing, and also "hopping off" for Portland a few moments later. Interesting closeups of the "ship" and the refueling operations were taken, in addition to the arrival and departure of this "trailblazer" of the air.

Musical Concert Coming Wednesday

A concert of more than usual interest will be given at the Christian church Wednesday evening by the Swedish-American Bell Ringers, a musical organization which comes heralded as a talented group. They will furnish novel and delightful music in both classical and sacred airs.

Second Precinct Voters To Meet

A. C. Ninsinger, republican committeeman for precinct No. 2 has issued a call for a meeting of all republican voters of that precinct for 2 o'clock tomorrow afternoon at the city hall. The meeting will select two delegates to attend the county pre-primary convention at Medford a week from tomorrow.

Tourist Bureau Giving Ashland Good Publicity

Reports received here that the "Ask Mr. Foster" tourist bureau in San Francisco is ignoring Ashland in the touring of tourists along the Pacific coast were vigorously denied today by R. W. Price, managing director of the Crater Lake hotel company and the Lithia Springs hotel, who returned with Mrs. Price yesterday from a motor trip through California. "As a matter of fact, Crater Lake lodge and the Lithia Springs hotel are the only two hotels in Southern Oregon which are subscribers to this tourist bureau, and I find that it is bringing good results," said Mr. Price. "Our literature is prominently displayed in all offices of the bureau, and I found that the girls knew almost as much about Ashland and Crater Lake as I did myself." Mr. and Mrs. Price left my motor this afternoon for Portland.

ONE OF EVERY SIX AMERICAN FARMERS OWNS RADIO SETS

By JOSEPH S. WASNEY (UP) Press Staff Correspondent WASHINGTON, March 22. — One out of every six farmers in the country now have radio sets in their homes to aid them in business and at the same time give their families educational and entertainment programs from the "air," according to Secretary of Agriculture Jardine. "Radio is a great benefit to agriculture," Jardine said. "Well established schedules of weather, crop and market reports and broadcast from more than 100 stations in all parts of the country."

By use of the radio, Jardine said, the farmers can tell the market prices prevailing and determine when it is practical to send their crops to the markets. Through weather reports they determine when to plant and harvest. The Agriculture Department also has lectures on how to combat plant diseases, insect pest, crop rotation and other subjects that will aid farmers to operate their businesses on a scientific basis.

Farmers in most cases have high power sets capable of "tuning in" on distant stations. A survey made by the Department showed that the farmers paid on an average of \$175 for their sets.

Youth In Trouble Not Ex-Ashlander

The Frank Hibbs who was arrested recently in Oakland on a charge of robbing the mails is no relative of the Hibbs family who lived in Ashland for 14 years and who left here for Oakland. This is the information contained in a letter from Mrs. W. N. Hibbs, who wants her Ashland friends to know that the boy under arrest is not her son or any relative of the family. W. N. Hibbs is in business in Oakland, where the family enjoys a good reputation.

DEBATE BETWEEN NEWCOMERS AND OLD-TIMERS TO BE BIG FEATURE OF TUESDAY LUNCHEON

This week's chamber of commerce luncheon at the Lithia Springs hotel tomorrow noon ought to be different, to say the least. It's going to be a talking contest between a group of newcomers and a group of old-timers on things in general.

Although the Newcomers' club as an organization met Saturday evening and declined to take part in the luncheon as an organization, John Fuller, chamber of commerce secretary, has selected a list of seven newcomers to Ashland and seven old-timers to conduct the luncheon.

The old-timers are Vic Mills, Billy Briggs, Dr. R. L. Burdick, Henry Enders, Jr., V. D. Miller, S. A. Peters, Jr., and W. H. McNair. The newcomers are Dr. Charles Haines, H. L. Claycomb, Randall Woods, Dr. C. E. Shinn, Jack Milton, C. S. Richardson and "Si" Perkins.

The president of the Newcomers' Club declared this afternoon that his organization felt it would be better for the club not to take part as an organization.

Klamath Not To Have Its Rodeo

KLAMATH FALLS, Ore., Mar. 22.—No money has been raised to bring the rodeo to Klamath Falls this summer, it was reported to the chamber of commerce by Ed Vannice, chairman of the rodeo committee. The Big Rodeo association which manages the rodeo had to have cash before it could make a start. There has been no money forthcoming, and for the present, at least, there is no start in sight.

SMITH BROTHERS AND A. C. CHRISTENSON TO BE SENT TO PRISON

PORTLAND, Ore., March 22.—(UP)—Arthur Christenson, Robert and A. C. Smith, recently convicted of conspiracy to violate the national prohibition law, will be sentenced tomorrow. It was revealed today when Federal Judge Wolverton denied a motion asking for a new trial. The men are all former federal prohibition agents and were state prohibition agents at the time they were convicted. They claimed that an alleged attempt to bribe a juror prejudiced the jury against them.

Klamath Falls Denies It Has Typhoid Fever

There is no typhoid fever in Klamath Falls, according to Mayor Fred R. Goddard of that city, who with Mrs. Goddard, and Councilman and Mrs. Z. J. Powell, was a visitor in Ashland yesterday. "A group of pupils from the Fairview school became ill, and some of the parents at first thought it might be typhoid," said the Klamath mayor. "A diagnosis, however, revealed it only as a mild stomach disorder due to drinking spoiled milk and the children suffered no ill consequences." But the report of typhoid spread about the state and did Klamath Falls considerable injury.

BAND PRACTICE TO BE HELD TONIGHT

All Musicians of Ashland Requested to Meet at the City Hall

All musicians of Ashland are urged to meet at the city hall tonight at 8 o'clock at which time the first band practice for the summer season will get underway, it is announced by Carl Loveland, director. It is especially urged that all members of the band last year be present in order to form a nucleus of the city band for this year.

A program of summer concerts for Lithia Park will be arranged as soon as the band gets well organized, said Mr. Loveland.

AUTOMOBILES TAKE BIG WEEK-END TOLL

Ten Tragic Deaths Reported on Pacific Coast Over Week End

SAN FRANCISCO, March 22.—(U.P.)—Automobiles, out in great numbers because of the bright spring weather, took the lives of 10 persons and injured at least 41 others on the Pacific coast, over the week end. Eight other persons met violent deaths from other causes and about a dozen were injured in accidents or various kinds.

Fuller To Leave On Business Trip

John H. Fuller, secretary of the chamber of commerce, will leave for the north tomorrow on business matters for the chamber of commerce and as a member of the board of regents of the Southern Oregon state normal school. He will stop first at Eugene where a conference of chamber of commerce secretaries is in progress and will then go to Portland where a meeting of the normal school directors will be held.

ASHLAND WELCOMES COMING OF SPRING

A cloudless sky and a warm, giving sun ushered spring into Ashland yesterday. Although it was not so warm as the previous Sunday it was a delightful day for outdoor picnics, and Lithia Park was the Mecca for scores of families. The highways also were crowded with motorists throughout the day. The vernal equinox falls on March 21, at which time day and night are of equal length. The storms so often common to this seasonal change were absent in this section yesterday and today. Florists say the outlook for spring is very rosy.

MED-O-LAND COURSE IS POPULAR SUNDAY

Many Golfers Play on Seven Temporary Holes of New Golf Club

Golfers who played around the seven holes at Med-O-Land Sunday found the fairways in better condition owing to the closer clipping and the removal of rocks. Considerable grubbing has been done on the sixth widening the fairway across the ravine. This week the dragging and rolling of the fairways will begin. A number of picnic parties spent the day at the course and many visitors called during the day to inspect it.

John W. Barr of Ashland, a member of the club, had the good fortune to capture a "birdie" Sunday when on the ninth he landed near the green with his tee drive and sank his iron shot for a two on a par three hole. The ninth is a 200 yard hole as the temporary green is placed.
