Marriage Announcement... Cards are out announcing the marriage of Marion G. Kincaid and Miss Wilma A. Chattin.

The beautiful attributes that made her so well beloved and universally mourned at her death were brought out in the brief outline of the life and work of this fine pioneer woman.

At the close of the impressive ceremony, a three course luncheon was served the wedding party, after which the bride couple left for a fortnight's honeymoon at the Lake of the Woods.

Mr. and Mrs. Kincaid are at home in Berkeley, California.

Both bride and bridegroom are well known in Ashland, having graduated from the Ashland High school, class of 1919.

Since then Mr. Kincaid has finished from O. A. C., completing a course in mechanical engineering and now holds a position in the Traffic Engineering Department of the Pacific Telephone company, at San Francisco.

He was very interested in athletics, having held a number of tennis championships. Mr. Kincaid is the son of Mr. and Mrs. George Kincaid of Riverside, California.

For several years, they were residents of Ashland.

Mrs. Kincaid is a graduate of University of Oregon and has been employed in the Health Service Department of the public schools of Detroit, Michigan for the past three years.

She was the popular supervisor of the Ashland playground for two seasons during her college vacations.

She is the daughter of Mr. and Mrs. O. W. Chattin of Ashland and had grown to womanhood here.

A host of friends who are interested in their happiness offer to both Mr. and Mrs. Kincaid hearty congratulations and good wishes.

The young people kept their secret well, and the announcement will come as a surprise to those outside the immediate family circle.

A piano solo, by Mrs. Dolores Hurley, a Serenade, was heartily applauded.
