Its purpose is to encourage the planting of flowers, shrubs and the general beautification of the homes.

Anyone having plants, roots, bulbs or seeds to spare are asked to contribute.

Anyone wishing plants, bulbs or seeds may have them free.

The contributions are to be brought to the Civic Club house, the evening of the 25th, or the morning of the 26th of March. If the one contributing has no way of conveying the plants to the Club house, that person is

to call Mrs. Jacks, 359-R and the plants will be called for the morning of the 26th.

Those who have nothing now to contribute are asked to send lists of bulbs or plants that they will have later.

All are to remember that Friday is "Plant" Day and help all that is possible in the good work.

### League Party

The Epworth League room of the Methodist church was the scene of a jolly time when about thirty Leaguers gathered for a St. Patrick's party last Saturday evening.

The house was decorated with green streamers and imitation shamrocks, and lights were tinted green.

From the time the whistle blew to start the "hoop-race" to the finish of a U. S. Mail game, everyone was greatly entertained—even if a few did get their toes stepped on a time or two.

Partners were taken and cooling refreshments were served

at a rather late hour. After a song was sung, they were dismissed by the Epworth League Benediction, feeling overjoyed at the good time they spent.
