

Saturday Shopping Guide for the Busy Housewife

MANY VEGETABLES ON LOCAL MARKET

With spring well advanced so far as delightful weather is concerned, local groceries this week-end will have an abundance of vegetables and other greenstuffs for Ashland housewives tomorrow. Strawberries made their first appearance last week and more are expected to arrive for tomorrow's marketing.

Of more than usual interest is the Rabbit Day plan of the Jackson County Rabbit Breeders' association, and local markets tomorrow will have a plentiful supply of rabbits for the local trade.

Quaker Oats "stands by" you through the morning

That's why doctors urge it to start every day

To feel right through the morning, you must have well-balanced, complete food at breakfast. At most other meals—that is, at luncheon and at dinner—you usually get that kind of food.

But at breakfast the great dietary mistake is most often made—a hurried meal, often badly chosen. Thus Quaker Oats, containing 16% protein, food's great tissue builder; 58% carbohydrate, its great energy element, plus all-important vitamins and the "bulk" that makes laxatives seldom needed, is the dietetic urge of the world today.

It is food that "stands by" you through the morning. Food that should start every breakfast in your home.

Quick Quaker cooks in 3 to 5 minutes. That's faster than plain toast. Don't deny yourself the natural stimulation this rich food offers.
