**Reception for Ashland D. A. R. Officers**—Mrs. Gordon MacCracken, newly elected State Regent, and Mrs. H. O. Anderson, Corresponding Secretary of the Daughters of the American Revolution, are guests of honor at a reception tendered by the Mount Ashland Chapter D. A. R. and the Women's Civic Improvement club Tuesday afternoon at 2:30 o'clock at the Civic Club house.

Those in the receiving line are: the honor guests, Mrs. Gordon MacCracken and Mrs. H. O. Anderson, Mrs. P. K. Hammond, Mrs. A. E. Kinney, Mrs. W. M. Poley, Miss Blanche Hicks and Mrs. J. P. Dodge.

The program for the afternoon will be presented by the Ashland Study Club. Mrs. E. A. Woods and Mrs. J. R. Robertson will present musical selections

and Mrs. V. V. Mills will talk on the Japanese arrangement in flowers.

Both Medford and Klamath Falls Chapters have been invited for the afternoon.

All friends of Mrs. MacCracken and Mrs. Anderson are cordially asked to be present on this occasion.

Its momentousness is realized, since this is the first time that Southern Oregon has been honored with a state regent and Ashland is justly proud of the fact that Mount Ashland's candidates were so honored.

Both organizations, the Daughters of the American Revolution, of which Mrs. MacCracken is past regent and the Civic Improvement Club of which she is the president are glad to unite in paying this tribute to the newly elected officers.

**Junior League Hike**—The Junior Epworth Leaguers went on a wiener roast last Saturday.

They started from the church at ten o'clock in the morning and hiked up to Big Rocks where they feasted on roast wieners, buns, salads, cookies, marshmallows and oranges.

About thirty of the Junior Leaguers, including the superintendents, Miss Mae Van Hardenburg and Miss Nadine Swenning, went on the hike.

Mrs. Chase and Dorothy Yeo were honored guests. Everyone present enjoyed themselves immensely and are hoping spring plans includes another happy day soon.

**W. H. M. S. Goes To Medford**—On Friday, April 9, Mrs. H. H. Northrup, of Pasadena, California field secretary for the Woman's Home Missionary Society of the Methodist Episcopal church will be in Ashland.

Instead of the regular meeting of the Woman's Home Missionary Society for that day, a group meeting will be held at the Medford Methodist Episcopal church.

Ashland ladies who expect to attend are to be at the Ashland Methodist church at 9:45 a. m. with picnic lunch.

Cars will be provided to take them to Medford for the day. All ladies interested are asked to be on hand for the trip and show how keen is the interest in missions and how the Ashland society responds when the call comes.

**Glee Club Coming**—The Glee Club of the Bible Institute of Los Angeles will be heard at the Presbyterian church Monday (this) evening.

They come highly recommended and the concert will be a treat indeed.

They have been in Ashland before, and those who heard them were well pleased and anticipate another delightful evening of song.

The concert is free; the club asking nothing but their entertainment by the church over night. A free will offering is taken.

**I. O. O. F. Party**—The old fashioned dancing party and splendid program put on by the Odd Fellows and Rebekahs one evening last week was surely a very successful affair.

The I. O. O. F. hall was crowded with members and guests and revelry reigned until a late hour.

Delicious refreshments of ice cream and cake were served.

**Marriage Announcement**—**Bidwell-Plummer**—The marriage of Miss Pauline Plummer, oldest daughter of Mr. and Mrs. H. B. Plummer, and Mr. Thomas Ray Bidwell of Los Angeles was solemnized at Los Angeles, Monday, March the twenty-ninth, nineteen hundred and twenty-six.

The Reverend Horace Sanderson, a former pastor of the bride, and who is now connected with the Bible Institute of that city officiated at the ceremony.

Mrs. Bidwell is a graduate of the Ashland high school, class of 1922. She will graduate from the Bible Institute in June in piano. Three years were spent in the Bible Institute and the last year at the Conservatory, in connection with the Institute.

During her years at the Institute, she has taken a great deal of work on the pipe organ and in voice. Mrs. Bidwell has been organist at one of the Baptist churches and has been doing much church work there.

Prior to her attendance at the Institute, and during vacations, Mrs. Bidwell was active in the young people's work in the Presbyterian church here; in C. E. and Sunday school work especially and in the music of the church and Sunday school. She will be greatly missed in church and social circles.

The bridegroom, Thomas Ray Bidwell, holds a responsible position as expert accountant for

Officers of Oregon chapter, chosen recently: Front row, left to right — First vice regent, Mrs. R. E. Wattenberg, Klamath Falls; regent, Mrs. Gordon MacCracken, Ashland; Rear regent, Mrs. H. O. Anderson, Ashland; chaplain, Mrs. Lulu B. Sheldon, Oregon City; treasurer, Mrs. Harry E. Northrup, Portland; historian, Miss Lillian Applegate, Salem; librarian, Mrs. A. E. Strossmiller, Astoria; recording secretary, Mrs. G. F. Watts, Portland; Mrs. Jessie McComb of Corvallis, second vice regent, and Mrs. R. C. Crowe of Eugene, consulting registrar, were not present.

**The Standard Oil Company** in Los Angeles, and they will make their home in that city.

After Mrs. Bidwell's graduation, the bride and bridegroom will take the honeymoon vacation trip; visiting at the home of Mr. and Mrs. H. B. Plummer, the parents of the bride, later in the summer.

A host of friends, young and old, offer congratulations and good wishes for a life of happy usefulness and prosperity.

**Bridge Tea**—Mrs. O. A. Paulserud was hostess at a charming bridge tea, Thursday afternoon.

Tulips were used in the beautiful centerpiece at the attractively appointed table, at which Mrs. Domingo Provost presided.

The afternoon was spent very happily in interesting games of bridge with Mrs. H. K. Tomlinson attaining high score and Mrs. F. G. Swendenburg consolation.

Those enjoying this pleasing hospitality were: Mrs. Louis Dodge, Mrs. Herbert McCarthy, Mrs. V. V. Mills, Mrs. W. M. Briggs, Mrs. W. H. McNaure, Mrs. Nathan Bates, Mrs. Clara Beebe, Mrs. Emma Oeder, Mrs. Crow, Mrs. Frank Dean, Mrs. King, Mrs. P. S. Provost, Mrs. Domingo Provost; Mrs. F. G. Swendenburg and Mrs. K. P. Nims.

**Easter Bridge Party**—Mrs. Gerald Wenner entertained a number of her friends at a very attractive bridge afternoon recently, with a delightful two-course luncheon as the finale of the pleasurable hours.

The Easter thought was carried out in every way; the place cards, the favors, the Easter lily nutcrackers; all details showed the lovely colors and artistic arrangement possible in the Easter scheme.

In the games played, Mrs. Jean Hastings secured high score and Mrs. Elwood Hedberg, consolation.

The guest list included: Mrs. Domingo Provost, Mrs. Elwood Hedberg, Mrs. Lynn Slack, Mrs. S. A. Peters, Jr., Mrs. Geraldine Fraley, Mrs. Jean Hastings, Mrs. Ted Lochart and Mrs. Dean Scott.

**Camp Fire Girls Have Party**—Ashland High Groups of Camp Fire Girls were delightfully entertained at the home of Mr. and Mrs. Carroll Pratt on North Main, the evening of April first.

As the date signifies, that was the thought around which revolved the games, the costumes, but not the refreshments, which were delicious wafers and ice cream.

It was a wonderfully nice party and wonderfully well planned to the smallest detail. "April First" it surely was—from the time that guests were invited to seek the back door to where the unsuccessful hunt for Easter eggs was made.

Costumes "screamed"; some veritable "screams." Miss Jane Pollard won the prize for the most unusual one. Others were close seconds.

There was not a dull moment, and the girls felt that this had been one of their most successful social events.

**Appeal To Club Women**—An appeal has been made to the club women of Oregon to cooperate in the seventh year of the observance of American Protection Week.

This year also marks the semi centennial of American Forestry.

Mrs. John Dickinson Sherman is a member of the National American Forest Week Committee and the General Federation is an ardent supporter of forest protection.

Mrs. Saidie Orr-Dunbar is a member of the Oregon State American Forest Week Committee—appointed by Governor Pierce. Eighty-eight national organizations approve and support the observance of American Forest Week.

The Committee believes that the Women's clubs can play an important part in making the 1926 observance a success. It is asked that women's organizations get in touch with chambers of commerce, editors, schools and churches and cooperate with them in a program for its observance.

Many reasons are given why every public spirited citizen should help. The forest acreage is a basic resource of Oregon; the greatest enemy of Oregon's

forests is the forest fire; Oregon's prosperity depends on the forests. Oregon has millions of acres which will not grow anything but timber.

It will take the full cooperation of every citizen to accomplish the purpose of American Forest Week.

**Entertained At Dinner**—Mrs. George Robison was hostess at a very delightful four o'clock dinner, Wednesday.

The invited guests were: Mr. and Mrs. W. O. Wheeler and Mrs. Annie Robison of Portland and Mrs. D. W. Stone of Oakland, California.

Mrs. Stone has returned to her home in Oakland, and Mr. and Mrs. Wheeler leave Thursday morning for a month's vacation in California.

Mr. and Mrs. Stone are former residents of Ashland and both are teachers, having taught for several years in Jackson county.

The visitors were entertained in Klamath Falls while here, motoring over to the neighboring city on Tuesday. Those making up the party were: Mrs. George Robison, Mr. and Mrs. D. W. Stone and Mrs. Annie Robison.

The day was spent in a very pleasant visit with friends.

**Past Matrons' Club Party**—At the recent meeting of the Past Matrons' Club at the home of Mrs. J. H. Turner, during the business meeting, plans were made for the bazaar to be held in the fall and also for the card party, which will be given this coming Friday night at Masonic Hall. Bridge, five hundred and other games will be played and guests are assured a pleasant evening.

This meeting was a very delightful one, the social hour which followed the business session was spent in visiting and fancy work. Delicious refreshments were served during the evening.

**Hike of Camp Fire Girls**—The Camp Fire Girls of Junior High spent a very happy afternoon in a hike and an Easter egg hunt which took the group well up the hill overlooking Ashland, above Scenic Drive.

Their guardians were with them and the girls brought a generous supply of eggs which were hidden while the girls hunted the lovely flowers with which the hills are covered now.

After a time the hunt began. The best part of the fun was that the eggs were so successfully hidden that not even the teachers could unearth them. However, enough were found to furnish each with a goody number. A prize was given the successful huntress.

When it began to rain all hastened homeward.

All the good don't die young. The good auto dodgers live a long time.

*What would you do without electricity?*

Interesting essays have been written—pages long—describing the calamities that would happen if the world ran out of electricity.

Interesting—but idle.

The practical question is—what do you do with electricity?

Few homes have as many convenience outlets as every housewife wants—but they are easily and cheaply installed.

A vacuum cleaner—an electric sewing machine—a washing machine—an electric range—these take most of the drudgery out of housework.

Would you—if you could—do without electricity?

Electricity is the cheapest service you can buy.
