NOSE CLOGGED FROM A COLD OR CATARRH
Apply Cream in Nostrils to Open Up Air Passages.
Ah! What relief! Your clogged nostrils open right up, the air passages of your head are clear and you can breathe freely. No more yawning, sneezing, mucous discharge, headache, dryness—no struggling for breath at night, your cold or catarrh is gone.
Don't stay stuffed up! Get a small bottle of Ely's Cream Balm from your drug store. Apply a little of this balm to the nostrils in your nostrils. It is just what you need through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, giving you instant relief. Ely's Cream Balm is just what every cold and catarrh sufferer has been seeking. It's just splendid!

His Man Mussolini

Fifteen Years Ago He Was a Wild Radical—Now He's World's Greatest Dictator.

ROME—Fifteen years ago the authorities of northern Italy were greatly exercised over the activities of a wild young socialist agitator.

He had a great following and feared nothing. He was a radical of the "reddest" type. Violence was a major item in his program of social reform.

The Italian police were not the only ones aware of his existence. Police in Switzerland and France knew him too; had arrested him, indeed, for ultra-radical activities.

All in all, it was quite agreed that this young man, by name Benito Mussolini, was a dangerous revolutionary.

Leader of Anarchy
This was fifteen years ago. Today Mussolini stands as chief proponent of the cause of autonomy, leader of the foes of liberalism—dictator of the Italians, spiritual successor of the first of the Caesars, put there by the force of his own indomitable will.

The wild radical of the pre-war days has mounted to the seats of the mighty. In the rise, his cloak of radicalism has been sloughed off like an outworn garment.

He is the most picturesque character in the world today. And there is drama in the story of Mussolini.

He was born in 1883 in the mountainous district of Romagna. His father was a blacksmith, and a wild-eyed, radical one, to boot; his mother had been a school teacher. The family lived in poverty.

Getting an Education
Through sacrifices on the part of his parents, young Mussolini attended such schools as were available, getting about what would be equivalent in this country to a high school education. Then he flung himself into the socialistic cause. But before he could settle down in his home town he must satisfy the restless urge that demanded that he travel.

So, early in 1902, he borrowed a small sum from a friend and set out. By the time he reached the Swiss border the money was

gone. He went on afoot, sleeping where he could and getting odd jobs here and there to keep from starving.

He stayed two months in Switzerland, studying and aiming his eyes, gripping his youthful theories of social reform and upheaval more and more closely. He led laborers in strikes and riots, for it was impossible for Mussolini to believe a thing without acting on it; accordingly, he soon landed in jail, and on his release he found himself constantly shadowed by detectives.

Beaten by poverty, unable to get work, he drifted back home. There he subsisted for a time on odds and ends of literary work, translating the works of the German Heine, for example, for some five dollars or so, trying unsuccessfully to secure a town clerkship, teaching school for a time in a country town—and always taking an active part in the doings of the socialists of his neighborhood.

The police dogged his footsteps continually. Disgusted, he went to France. There too he gained notoriety as a radical agitator. He led strikes, participated in riots, felt the hands of the police on his shoulders, and eventually was deported. He took refuge in Switzerland.

He stayed in Switzerland for seven years. He studied constantly.

IS YOUR HEALTH Slowly Slipping Away?
Ashland People Advise You To Act In Time
Is falling health, making you uneasy and unhappy? Are you tired, weak and dispirited? Suffer daily backache and stabbing, rheumatic twinges? Then look to your kidneys! The kidneys are the blood-filters. Once they weaken, the whole system is upset. You have dizzy spells, headaches and urinary irregularities. You feel all worn out. Use Doan's Pills—a stimulant diuretic to the kidneys. Thousands recommend Doan's. Here is Ashland proof:

Fred Deardorff, machinist, 50 Fifth St., says: "My kidneys were all out of fix and I had such backaches I could hardly bend and it was just as hard to straighten up. My kidneys didn't act right, either. I read of Doan's Pills and used them. They strengthened my back and kidneys and rid me of the aches and pains."
Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Deardorff had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Hall's Catarrh Medicine has been successful in the treatment of Catarrh for over forty years. Also is a Blood Purifier it gives wonderful relief. All Druggists. F. J. CHENEY & CO., Toledo, O.

ly, doing odd jobs to pay for his books and lodging, and always slipping into the activities of the social reformer. At length his fiery advocacy of socialism got him into trouble again, and the police deported him. Again he went back to Romagna.

Twice now he had left home to seek his fortune, and each time he had come back penniless and in bad repute. An insuspicious state, perhaps, it may have seemed so at the time, particularly to his rough old father, who wanted him to content himself with a blacksmith's life.

Mussolini entered newspaper work, rising at last to the editorship of the official socialist organ, Avanti. And then the war broke out.

Mussolini for War
Here came Mussolini's break with the socialists. The socialist party was all for neutrality. Mussolini cried loudly for entrance in the war, on the side of the allies. He was expelled from the socialist party; he continued to shout, this time through the columns of the Milan paper, Popolo d'Italia, of which he became editor.

Italy finally entered the war. Mussolini's agitation had helped. And when war was declared Mussolini was one of the first to volunteer.

He saw active service with the Bersaglieri, being wounded twice and scoring a safe behind-the-lines job that a politician offered him. He was decorated for bravery.

After the war he went back to his newspaper. Gone were his socialistic leanings. The tide of communism began to run high among Italian workers. Mussolini scoffed: Ten years previously he would have cheered.

Strikes became almost daily events. The government seemed powerless. Industry was paralyzed.

IS YOUR LIVER OUT OF WHACK
Neglect of the liver results in self-poisoning! Not so quickly, perhaps, but just as surely as you drink poison out of a bottle. If your liver is not doing its work of helping digestion, eliminating waste from the bowels and purifying the blood, you will always be troubled with sick headaches, nausea, biliousness, bad breath, gas, sour stomach, or constipation. Cleanse and tone your liver! Put your system in condition so you feel your very best again! Try just a spoonful of Dr. H. S. Thacher's excellent Liver and Blood Syrup after the next few meals and notice the quick improvement in the way you eat, sleep, look and feel—the return of strength, vigor and energy. You will be completely satisfied; otherwise there will be no cost.

HAWAIIAN CLIMAX
Saves Playmates

HILO, Hawaii, April 5.—Violet Banks, 5, is hailed here as a little heroine, following the rescue of her younger sister had a playmate who had drifted out to sea in a rowboat.

The children were playing in the boat when it drifted away. The craft was nearly a quarter of a mile out when Violet saw it.
