**The ELIZABETH ARDEN method—**which keeps your skin healthy—will keep it lovely too

**NO CREAM** transforms the skin. But scientific care, which encourages swift circulation through the tissues and keeps the skin cells vividly healthy, will make your skin clear, soft and firm. This is the foundation of the Elizabeth Arden method. Cleansing the skin—with Elizabeth Arden's *Venetian Creaming Cream*—removes impurities which clog the pores and cause blackheads. Brisk patting—with *Arden's Skin Tonic and Special Astringent*—tones the skin and firms the contours. Nourishing—with *Orange Skin Food* or the delicate *Velvet Cream*—fills out the skin cells and so corrects lines and wrinkles. Follow this same method in the care of your skin at home.
