**The ELIZABETH ARDEN method — which keeps your skin healthy — will keep it lovely too**

**NO CREAM** transforms the skin. But scientific care, which encourages swift circulation through the tissues and keeps the skin cells vividly healthy, will make your skin clear, soft and firm. This is the foundation of the Elizabeth Arden method. Cleansing the skin—with Elizabeth Arden's *Venetian Creaming Cream*—removes impurities which clog the pores and cause blackheads. Brisk patting—with *Arden's Skin Tonic* and *Special Astringent*—tones the skin and firms the contours. Nourishing—with *Orange Skin Food* or the delicate *Velvet Cream*—fills out the skin cells and so corrects lines and wrinkles. Follow this same method in the care of your skin at home.

Elizabeth Arden's *Venetian Toilet Preparations and Baboni Perfumes are on sale at*

## Society

(Continued From Page One)

will speak in the ballroom of the Lithia Springs hotel at 7:30 p. m. Everyone interested in the schools is invited to be present. All members of P. T. A. Circles particularly, are urged to attend.

Mrs. Gabriel is on her way to attend the National Convention at Atlanta, Ga., which convenes May 3-8. She expects to go abroad later. During her absence, Mrs. Louis Dodge, state vice president will be acting president.

The following from the Oregon Journal will be of interest, relating as it does somewhat of her findings concerning the work in other parts of the state: "Mrs. W. W. Gabriel, state president of Oregon Congress of Parents and Teachers, who has just returned from a trip through Eastern Oregon, visiting associations in that part of the state, reports that the work is in a most flourishing condition, many of the smaller associations in the rural districts having most enviable reports of work accomplished. The friendly and cooperative attitude of educators gives great satisfaction and the presence of the county and city superintendents of schools together with principals and teachers at all meetings was a tribute to the respect felt for the efforts of the Parent-Teacher association throughout the state. There was a very decided movement toward the organization of more associations and in a number of instances the initiative was taken by the school authorities.

Mrs. Gabriel will leave shortly for Southern Oregon, visiting associations at Roseburg, Medford, Grants Pass and Ashland, proceeding via Los Angeles to Georgia to attend the national convention of the Congress of Parents and Teachers. Mrs. Gabriel will spend a few days with friends in Los Gatos and Hollywood before going East."
