RED PEPPER HEAT ENDS RHEUMATISM
Red Pepper Rub takes the "ouch" from sore, stiff, aching joints. It can not hurt you, and it certainly stops the old rheumatism torture at once.

When you are suffering so you can hardly get around, just try Red Pepper Rub and you will have the quickest relief known. Nothing has such comparative effectiveness as red pepper heat. In three minutes it warms the sore spot through and through. Heat and soreness are gone.

Here see a pair of fence-busters—Tony Luzzetti (left) and Kate Ruth of the Yankees. Luzzetti was the home run king of the Pacific Coast League last season. He finished off 80 circuit-clouts. Ruth, as you know, has been the Sultan of Swat in the majors for several seasons. In 1921 he carried in 59 homers, the big league record. Luzzetti and Ruth, obviously, form a formidable pair for the Yanks.

Mr. Johnson, resident of Kansas City, was amazed at the way Lyko built up his strength and down his weight. He says: "When I began taking Lyko I was thin and weak, weighed only 120 pounds, and felt a great lack of pep. Now I weigh 137 pounds and feel like a new man and never feel tired."

NEUROTIC ADULTS WERE SPOILED WHEN CHILDREN

By S. A. BAKER
(United Press Staff Correspondent.)

DALLAS, Texas, April, 22.—(U.P.)—Hysteria in adults is largely due to the indulgence of young parents in allowing the youngster to desire its goal by "throwing a tantrum" Dr. M. S. Gregory told his associates in the seventy-seventh annual convention of the American Medical Association here today.

"If the baby gets what it wants by a tantrum it will react when grown up in the same manner—a condition the individual cannot control," Dr. Gregory said. "If the child has been trained to meet reality, then as an adult, he or she will meet reality and remain well."

Pointed statements from other speakers on the opening program of the eight scientific sections of the association which got under way today, bore out the oft-repeated admonition—the physician first.

Infections of the eyes oftentimes are the "kickbacks" from infections and diseased sections elsewhere on the body, eye specialists pointed out. Irritation of an infected area drives the harmful germ into the blood and it is carried to the eye tissues.

Injection of chemicals and dye substances into the veins to combat boils, abscesses and similar growths has benefited hundreds of patients, Dr. Hugh Young of Baltimore told the surgical section.

High blood pressure may be successfully combatted by the injection of a liver extract prepared from fresh liver tissues and purified, according to Dr. A. A. James and associates in the Pharmacology and Therapeutics division. On the other hand,
