This Ashland Resident Tells You How to Get Well.
Tired all the time? Lame, stiff and achy? Tortured with nagging back-ache? Knife-like twinges when you stoop or lift? Miserable with headaches, dizzy spells and bladder irregularities? All are signs of kidney weakness! Use Doan's Pills—a stimulant diuretic to the kidneys. Here's Ashland testimony: Mrs. C. P. Newton, 77 5th street, says: "My kidneys were weak and acted irregularly and at times my back felt weak and lame. I was run down and felt dull and tired until I used Doan's Pills. They helped me right away and soon regulated my kidneys and strengthened my back." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Newton had. Walter Camp at His Last Game
This was the last photograph ever taken of the late Walter Camp as he sat on the side lines of a big football game. The "Father of American Football" never failed to get a thrill from watching the game which will always be most closely identified with his name. There is to be a \$300,000 national memorial to him at the entrance to the famous Yale Bowl, to be erected through contributions from every university, college and "prep" school in the country where football is played today.

SURE HELP FOR STIFF, ACHING BACK.
An aching back may not mean anything serious, but it certainly does not mean anything good. It usually grows worse with neglect. Foley Pills, a diuretic stimulant for the kidneys, promote the healthful action that clears both blood and body of the lurking poisons which cause the distressing ache. If a child doesn't like oatmeal, win over with famous "Quaker Flavor"
THE reason some children don't eat their oatmeal without urging is that they're not given the right kind. There is a great difference in the flavor of oats. And flavor, above all things, is needed to win a child's appetite. Quaker Oats has a unique flavor; a rich and toasty flavor you'll find in no other brand. That is why millions will accept no other kind. Quaker milling, too, retains much of the "bulk" of oats—which makes laxatives less often needed. Protein, carbohydrates, minerals, vitamins and this "bulk" make Quaker Oats an excellent food balance. Today, get Quick Quaker (cooks in 3 to 5 minutes), or regular Quaker Oats as you have always known them. Grocers have both kinds.
