Denmark, Holland, Sweden, European Russia, Canada, Norway, and Finland, were next in the order named, Finland consuming only 1.54 liters annually. The liter is roughly equivalent to a quart.

ALFRED E. CLARK Of Portland

Candidate for the Republi can nomination for United States Senator

Read a few of many unsolicited press comments:-The Portland Daily News, speaking of the Senatorial candidates, said:

"If we were entirely business-ific in the conduct of our public affairs, intent only upon getting the best man available for the

money, there is no doubt whom we would employ a man of proved achievement, proved honesty, proved fearlessness and trustworthiness. We would employ big man.
"And that man is Alfred E

Clark of Portland."
The Toledo Leader: "Mr. Clark erience, has the age, the digpeople of this great state in the national law making body as who are as well qualified for Senator as Mr. Clark."

Senator as Mr. Clark."

The Condon Times: "His (Mr. Clark's), knowledge of public atMirs, his prominence as a lawyer and his reputation as a speaker will prove valuable assets should the people desire to send him to
