Sometimes you wonder why Women are Nervous!

It is a scientific fact that predominating wall colors react on the nervous system. Some distract and irritate. Others are quieting and restful. With Acme Quality No-Lustre Finish you get the desired effect. On walls and ceilings, its soft non-glaring tones are always soothing.

### ACME QUALITY Paint-Varnish

For all walls and ceilings, there is a special Acme Quality product. Come to this Acme Quality Paint and Varnish Service Station and discuss with us any indoor or outdoor painting problem.
