## JAY H. UPTON

**Republican Candidate for Governor**

**Primaries May 21st**  
Jay H. Upton is a young, capable, energetic man and is the kind of an executive Oregon should have as its Governor. He has been a Senator from five neighboring counties in Central Southern Oregon for four sessions. He was President of the Senate in 1923. He was President of the Oregon Irrigation Congress for two terms. He is the only man running for Governor who knows anything about irrigation and who can help solve the irrigation problems of Oregon. He was one of the Senators who introduced and supported the law to reestablish the Ashland Normal School. He voted against the "Tithing" Bill. He has always opposed Federal control of the game life of the State. The Irrigation Problems, Fish and Game problems, Agricultural and Development problems of Jackson County, and Deschutes and Klamath County are identical. Vote for a man who can help your section of the State. He is a firm supporter of the Direct Primary. He is opposed by the Old Guard Republican leaders and the big newspapers of Portland. Vote for a real live wire for Governor. Ralph S. Hamilton, President, Chas. W. Erskine, Secretary. Paid Adv. — Upton for Governor Club, Bend, Oregon. 218-31

## IT'S MY DUTY TO MANKIND TO PRAISE THIS KARNAK, SAYS BELOVED MINISTER

**Rev. Driscoll Declares That Duty to Wife and Family, This Wonderful Medicine, That is Now Featured in Ashland At The East Side Pharmacy, Has Been Greatest Blessing of His Life.**

The amazing power of Karnak, the sensational medicine now featured in Ashland at the East Side Pharmacy, to bring such quick and lasting relief is being thoroughly demonstrated. It is no uncommon occurrence for people in all walks of life, including even ministers of the gospel, to come forward with their unqualified indorsement of the medicine that their fellow man may be benefited also.

Now comes the Rev. A. A. Driscoll, prominent Methodist Minister, residing at 343 Devon Court, Salt Lake City, and states that Karnak has been no less than a blessing in restoring him to health again.

"This new medicine, Karnak, has been such a blessing in restoring me to good health again that I just feel like going from house to house, in the interest of mankind, and telling everyone the true merits of this remarkable preparation," declares Rev. Driscoll.

"I was, indeed, a sick man before I started the Karnak treatment," explains Mr. Driscoll. "I had suffered a general breakdown and was far underweight and as weak as a kitten. I didn't have appetite to enjoy even the most tempting dishes, and a short time ago, I would have given anything I possessed to have been able to enjoy the hearty meals that I do now.

"What little I used to eat seemed to do me more harm than good, and I fell off in weight to only 115 pounds, and just seemed to be dwindling away to almost nothing. I was so extremely nervous I couldn't get a restful night's sleep, and was going down hill so fast that it alarmed me and kept me worried day and night.

"Well, sir, outside my wife and family, Karnak has been the greatest blessing I ever received, and all the money in town could not induce me to make such a statement were it not the actual truth. I'm almost sixty-six now, and just think of it, Karnak has given me perfect relief and has built me up from 115 to 128 pounds. Why, I just feel like a new man from head to foot.

"Why, it would just make anybody rejoice to get the wonderful relief that I have, and I'll pray for the good men who make Karnak that they may keep up this good work. Yes, sir, I feel it a duty to mankind to tell others about this medicine—just to have the people in this city see me about it and those outside the city to write me—I will gladly verify this statement for all of them."

Karnak is sold in Ashland by the East Side Pharmacy, and all leading druggists.
