Cowgill Makes Statement

The Republican County Convention was held in Medford on March 30th. About two weeks prior to this date Mr. Dunn assured me that he wanted the endorsement of the convention. The following letter was delivered to my house on March 29, the day before the convention. I would hesitate to publish this letter if it had not been reported to me from different parts of the county that some of Mr. Dunn's supporters are claiming that he is the champion of the direct primary and are asking support for him in this claim. Mr. Dunn's letter clears the situation.

RALPH P. COWGILL
 Ashland, Oregon,
 March 26th, 1926.
 Hon. Ralph P. Cowgill,
 Medford, Oregon.
 My Dear Mr. Cowgill:

In order that there may be no misunderstanding between us as candidates for the nomination for state senator, I take this opportunity to explain to you my intentions in the matter.
 Owing to the fact that in very many of the precincts there were no elections called or held by the precinct committee for the election of delegates to the County Convention to be held on March 30th, and very many Republican voters had no opportunity to express their preference for delegates to the convention, and, for the further reason, that there seemed, so far as I can learn, very little interest taken in the pre-primary election, I have decided not to ask this convention for endorsement of my candidacy for the office of State Senator.

I will file in the regular manner provided by law. I realize that in doing this I will be at quite a disadvantage in the coming primary.
 I have watched with interest the reaction of the voters to this pre-primary convention. They have taken little interest in it. In my own precinct, I had no chance to vote because there was no election held or even called; and, that is true in so many precincts, I feel that there was no unbiased expression of the Republican Party and believe that the opposition will use this against us in the fall election.
 Personally, I favor the idea of party conventions; but believe that they should be legalized and made state wide and that party platforms should be written by a state convention. Otherwise we are liable to have a variety of platforms that may not harmonize.
 With kindest personal regards and with the assurance that if you lick me in a fair contest, you will have my support in the November election, I am,
 Very sincerely yours,
 (Signed) GEO. W. DUNN.
 (Pd. Adv.)

In the Oregon Grange Bulletin of May 11, 1926, Senator Geo. W. Dunn's voting record is given in the 1925 session of the Oregon Legislature: Voted for the Mill's convention bill; voted yes to abolish Pamphlet; voted yes on pre-primary convention bill.
 This record is published for the enlightenment of those of Senator Dunn's supporters who have been told that he is the champion of the direct primary.

A Dozen Reasons for Re-Electing U. S. Senator Stanfield

Oregon is in great need of rapid development and must seek federal aid, which the state can obtain only through such men in Congress as Senator Stanfield, with his commanding position in the Senate as Chairman of the Public Lands Committee and high rank on the powerful Finance Committee.

By reason of his important Senate Committee positions, which a new man could not obtain in 10 or 12 years, Senator Stanfield has been an outstanding factor in obtaining Government appropriations for Oregon during the past five years amounting to \$32,695,000.

Senator Stanfield's leading the fight to the Senate to establish Oregon's right to use the revenues from her natural resources to develop the state and thereby reduce substantially the taxes now burdening our people. His Grazing Bill, now before the Senate for passage, is the entering wedge to restore this right.

For the former Senator Stanfield was successful in urging the enactment of the Emergency Tariff law of May 27, 1921. Through the Norris Bill he obtained \$5,600,000 for Oregon from the War Finance Corporation for the relief of agricultural lands and personally supervised this aid for the Treasury Department.

During the past five years Senator Stanfield has aided Senator McNary in obtaining \$9,631,000 for Oregon reclamation projects. In the hearing on the attempted sale of the Oriental Line to the Dollar interests, Senator Stanfield is assisting me in every way he can," wired Senator McNary on May 4.

Senator Stanfield, as a member of the Senate Finance Committee, was largely instrumental in procuring \$7,386,000 for the improvement of rivers and harbors in Oregon, and is in position to assist materially in securing a 35-ft. channel from Portland to the sea.

The lumber business, Oregon's chief industry, has been relieved of an annoying handicap through the repeal of the Capital Stock Tax, the main credit for whose repeal is given by the National Lumber Manufacturers' Association to Senator Stanfield.

One of Senator Stanfield's leading achievements is his success in obtaining, and laying before the Senate, a favorable report from his Committee on Public Lands on his \$5,000,000 O. & C. Tax Refund Bill, restoring the taxes lost to 18 Oregon counties and lowering thereby the taxes of every taxpayer in Oregon.

The Stanfield Home Loan Bill will benefit thousands of city dwellers desirous of building and owning a home. It provides for Government-supervised loans on residence property in amounts of \$500 to \$10,000 at a rate of interest estimated not to exceed 6 per cent and payable in monthly installments over 5 to 15 years.

Senator Stanfield is a consistent supporter of the Coolidge administration and is standing with the president in the latter's enforcement of the prohibition law and reduction of federal taxes.

As a staunch friend of the Direct Primary Law, Senator Stanfield has publicly stated his attitude in unmistakable language. He says: "Conventions called without authority of law will be open to the same objections as the old convention system."

Because he has proved himself during his entire term in the Senate to be a friend of labor, Senator Stanfield has been officially endorsed by representative labor organizations, including the Central Labor Council of Portland on May 10 and Sunset Lodge No. 130 of the Brotherhood of Railroad Trainmen on May 14. Also by the Bayonet Club, the political organization of the Disabled American Veterans of the World War, for his steadfast support of legislation for veterans of all wars.

Keep Oregon to the Front in the Senate by Re-Electing Stanfield. It Would Take a New Man 10 or 12 Years to Match His Committee (Stanfield-for-Senator Campaign, E. D. Cusick, Mgr.)

Union Gasoline

Non-detonating

Union Gasoline provides, and always has provided, for Western motorists, the non-detonating fuel which supplies full power to the engine throughout their entire stroke and eliminates all explosive "knocking" or "pinging" on the hills or on heavy pulling—a quality for which Western motorists are now paying increased gas prices and paying \$3,000,000,000 in excess of usual prices for fuel. Yet Union costs no more than other high grade fuels.
