IN FLANDERS FIELDS

"In Flanders Fields the poppies blow
Between the crosses; row on row
That mark our place; and in the sky
The lark, still bravely singing
Scarcely heard amidst the guns below.

We are the dead
Short days ago we lived, felt
Dawn, saw sunset glow,
Loved and were loved, and now
We lie in Flanders Field.

Take up our quarrel with the foe
To you from falling hands we
throw the Torch
Be yours to hold it high;
If ye break with us who die
We shall not sleep, though poppies grow
In Flanders Fields."

First Car to Make Crater Lake—

What is claimed to be the first automobile to make the trip through to Crater Lake park this season left Klamath Falls at 4:16 o'clock Saturday morning and arrived at Medford at 7:32 a. m., covering 134 miles in three hours and two minutes traveling time, excluding a 14 minute stop at An-

na Springs. The party making the trip included B. A. Gilman and J. A. Ladieu of the Klamath Falls News staff, and Austin Es-sendorf, professional pilot. The party passed within five miles of the lake rim and found the roads in that vicinity full of melting snow and in rough condition. —Medford Mail Tribune.
