KLAMATH WINS FROM ASHLAND IN HARD GAME

Locals Drop Third Straight, 8 to 5, in Spectacular Ball Contest

FANS ARE ENCOURAGED

Blinding Sun Loses Two Balls in Outfield; Big Crowd Coming Sunday

Ashland's baseball team lost to Klamath Falls, 8 to 5, at Klamath Falls Sunday, but it didn't lose until Klamath was given the scare of its league-leading life. From the first inning until the last it was a regular ball game, with first one team ahead and then the other. At the start of the eighth inning, Ashland was leading 5 to 4, when three bunched hits, coupled with an outfield error, gave Klamath a quartet of runs and the game.

Klamath is Lucky
Even the most rabid of Klamath fans admitted that Ashland outplayed Rip King's Pelicans nearly all the way, both in hitting and in defensive work, but a brilliant sun which blazed down in the outfield was responsible for Ashland's loss.

In the third inning, "Sunny" Mohler was breezing along in wonderful shape. Then he walked two men and hit another with a pitched ball. Three men were on bases with two out. A Klamath batter lofted an easy fly into right field. It looked like a certain out and the players started trotting off the field. But the ball got lost in the sun, and three fleet-footed Klamathians scored.

Too Much Sun
The same sort of play was repeated in the fatal eighth when the sun blotted out the vision of a fly ball in deep center and gave Klamath a chance to climb into the lead.

Klamath's vaunted speed ball artist, "Prof." Street, was batted out of the box in the seventh inning by the heavy stick work of the Ashland players. Gage, a tall, lanky moundsman with a wall of speed, held the locals scoreless during the final frames.

Mohler Goes Good
Mohler pitched a real game for Ashland, not a hit being made off his delivery until the sixth inning, when Klamath got its first earned run. The port-sider was given some splendid support, with the new Ashland infield working like well oiled machinery.

Despite his three broken ribs, Mike Cassidy played a star game at the initial bag, spearing several foul hits which looked almost impossible. At the key-stone corner O'Brien played a good steady game all the way.

"Red" Watts was a tower of strength at shortstop, making one hard play in deep short which brought a rousing cheer from the Klamath fans.

Pillette is Star
Young Stan Pillette at third base was a whirlwind of action, and showed himself to be the class of the league at the difficult corner. He also crashed out a couple of hits which brought in runs when runs were needed.

The automobile, commonly in the lead, took only three lives. Deaths from all unnatural causes, mounted to 17.

Most tragic in the entire list was the drowning of two girls and one man near Fresno. One girl drowned in an attempt to save the other, and the man drowned in a heroic attempt to save both.
