Wedding Announcement—
Dougherty-Rush—
 Sunday afternoon at three o'clock, May 30, the home of Mr. and Mrs. W. J. Dougherty was the scene of one of the prettiest of home weddings, when Miss Margaret Dougherty, youngest daughter, became the bride of Mr. Charles Rush.

A bit of wildwood beauty was borrowed for the occasion, for masses of syringa or mock orange blossoms with lacy ferns from mountain glens were shown in all the rooms. With the delicate fragrance of syringa was mingled that of the rose of a thousand beauties, making the decorative plan in rooms and hall, a symphony in white and rose, relieved by shades of green.

Promptly at the hour the strains of the wedding march, played by the bride's sister, Mrs. H. S. Harrison, sounded and the bridal procession slowly descended the stairway which was entwined in the same beautiful leafage and bloom.

The Rev. H. F. Pemberton, entered first, taking his place facing the arch with its delicate festoonery. The bridegroom, accompanied by his brother, W. G. Rush, as best man, both took their appointed places as did Miss Edna Dougherty, maid of honor. Then came the bride who stood beside the bridegroom and the solemn vows were spoken which made them man and wife. "I Love You Truly" was played very softly during the ceremony.

Miss Dougherty was very lovely in a beautiful gown of orchid georgette crepe, embroidered in crystal and rose. She carried a shower bouquet of bride's roses and lilies of the valley with pink rose buds, caught in the dependent streamers.

The bridesmaid, Miss Edna Dougherty was becomingly gown-

ed in soft gray silk with a touch of color in the necklace worn and the pastel shades in garniture.
 Miss Irma Best and Miss Josephine Barber assisted.

In the luncheon the same color scheme was carried out and at the bride's table, the artistic centerpiece rose decked canopy and miniature bride, was most attractive.

Mr. and Mrs. Rush left almost immediately for a honeymoon which will be spent in Portland.
 Upon their return they will go at once to the cozy home on Fairview street, which has been in readiness for some time.

Both bride and groom are graduates of Ashland High. Mrs. Rush has taught for the past two years. She was prominently identified with musical and social activities of school and is a popular and talented girl.

Mr. Rush is a younger son of Mr. and Mrs. C. M. Rush and after his graduation attended O. A. C. and at present holds a good position with the Lithia Springs Garage.

Those present were the members of the two families with a few close friends: Mr. and Mrs. W. J. Dougherty, Miss Edna Dougherty, Mr. and Mrs. H. S. Harrison, Mr. Frank Dougherty, Mrs. C. M. Rush, Mr. and Mrs. G. Floyd Rush, Mr. and Mrs. W. G. Rush and son William, Miss Reeder, Miss Irma Best, Miss Josephine Barber, the Rev. and Mrs. H. F. Pemberton and Mrs. Grace E. Andrews.

To these deservedly popular young people a host of friends extend hearty congratulations and good wishes.

Dance to be Given—
 The Fraternal Brotherhood is giving an old fashioned dance, Friday, June 4, at Moose Hall for the membership and their invited friends.

Announcement is made that the members may keep the date open for the pleasant affair.

Other Dances—
 Other organizations have been having some very delightful dancing parties.

The M. B. A. had a very well attended and enjoyable old fashioned dance last week with the by Tucker and Jordan, and the Rebekahs and Odd Fellows, with their invited guests had a dance Friday night, with music furnished by the Dickey orchestra.

Both organizations have these pleasant affairs often, and the membership await the announcement of their recurrence with pleasure.

Marriage Announcement—
 A marriage announcement of more than usual interest comes to us from Portland; that of Miss Helen Holtan and Mr. Frederick Shigley, at the First Baptist church of Portland, with the pastor of that church officiating clergyman.

The wedding occurred on Wednesday June 6, at seven o'clock in the evening.
 Miss Holtan was attended by

Miss Irene Berg, who accompanied by her from Salem where she was sitting and Mrs. Villiers of Seaside.

The bride was very sweet and lovely, becomingly gowned in a blue and green suit with blouse and hat of green. Her flowers were pink and white rosebuds and sweet peas.

Mr. and Mrs. Shigley left immediately for a honeymoon to be spent in the Canadian Rockies and at Lake Louise. The trip will be made by rail and by boat. They will be at home at Relette, North Dakota.

Miss Holtan was an efficient and popular sixth grade teacher at Hawthorne. She was guardian of the Camp Fire Group of that building and had identified herself with social and church life in Ashland. She will be greatly missed by a large circle of friends.

Mr. Shigley is a young man of undoubted ability, a college graduate. At present he is assistant state veterinarian of North Dakota.

Mr. and Mrs. Shigley will occupy their own cozy home in Relette, which has been in readiness for some time.

The many friends in Ashland extend to Mr. and Mrs. Shigley congratulations and the best of good wishes for a long, happy and prosperous life's journey; a journey filled with kindly, useful deeds.

Miss Berg, who attended Miss Holtan, has returned to Ashland, accompanied by her sister who has been teaching in Idaho. They will go on to California for the summer.

Community Club Meets—
 The Upper Valley Community Club will meet in regular session the second Tuesday in June, June the eighth.

This is an important meeting, since at it, will be the election of officers for the coming year.

All members are urged to be present, for besides the business to be considered, there is always something helpful by way of program.

The place of meeting will be announced in a later issue.

Open Health Meeting—
 Considerable interest centers in the open health meeting under the auspices of the County Health Unit, which will be held in the Civic Club house on Thursday, June 3, 1926, at 2:30 p. m.

Dr. W. W. P. Holt will be the principal speaker for the afternoon and his theme will be the so-called children's diseases: measles, whooping cough and scarlet fever.

It is understood that there will be a large contingent from Talent present. Everyone interested in hearing this topic discussed is cordially invited to be present Thursday afternoon.

Everyone having children will no doubt make a special effort to be present.

Surprise Birthday Party—
 Mrs. Mark True enjoyed a very happy surprise last week, the occasion being the celebration arranged honoring her natal day.

Mrs. Jesse Neil was hostess, and it had been planned that Mrs. True should be asked over to Mrs. Neil's home. She came. When she arrived she found a number of her friends engaged in a quilting bee.

She did not suspect the nature of the occasion until a number of others arrived who prepared the delicious luncheon. Then she found she was the guest of honor, and her birthday being fittingly celebrated.

This group of friends might well be called the "Birthday Club" for there have been a number of delightful parties, staged commemorating the different birthdays.

Mrs. True received a number of lovely gifts.
 A delicious two-course luncheon was served. The birthday cake with the appropriate number of candies was embedded in fragrant roses and sweet peas.

The afternoon passed all too quickly, with busy fingers and the merry chat of old friends.

Those who shared the happy time were: the Mesdames W. G. Tucker, Mike Tucker, Clarence Crowson, Will Husley, Carl Gotche, Jesse Neil and honor guest Mrs. Mark True.

Delphian Chapter Meeting—
 "The Delphian Chapter meeting for May was held at the Civic Club House, Tuesday afternoon.

This interesting meeting dealt with early Roman History, and was opened by the chapter supervisor, Mrs. V. V. Mills, who reviewed the work of the Southern Oregon Assembly of Delphian held in Ashland Saturday, May 22.

Commencing the afternoon's program Mrs. Whitney ably discussed Brutus and his Associates, in Julius Caesar, Mrs. Nims, "A Famous Roman Trial"; Mrs. Woods, "The Life of Cicero and Cicero as a Man of Letters," and Mrs. Hardy, "The Conspiracy of Catalina."

Following the History program Mrs. Galey conducted the Department of Constructive English and

its pronunciation.
 Mrs. Whitney, vice-president of the Delphian Society, presided over the second half of the program, which was opened with Parliamentary Drill led by Mrs. Dewes, assisted by members of the club.

Afterwards Mrs. Winne reviewed Political Current Events and Mrs. Evertson, Cultural Current Events. The program was concluded by Mrs. Hedberg who gave a delightful review of Barry Benefield's appealing book, "The Chicken Wagon Family."

Past Matron's Club—
 Mrs. E. D. Briggs was hostess for the Past Matron's Club Thursday evening at her beautiful home on Almond street, with her sister, Mrs. Wade of Los Angeles and Mrs. Cobb of Greenvale, Minnesota, her house guests, special guests at the pleasant affair.

Mrs. Cobb, who had been visiting Mrs. Wade in California, had but recently returned from a trip abroad, and had many interesting experiences to relate. She will continue her homeward journey, Saturday.

After the usual business session, the evening was spent very happily, in a social way.

The pleasant finale was a delightful two-course luncheon served by the hostess.

The majority of the membership was present to enjoy this hospitality, and to meet the out-of-town guests of Mrs. Briggs.

An Interesting Announcement—
 An interesting announcement for all her young and older friends, has been received of the graduation of Miss Elbert Gloria Greer, from the Burbank High School, June the tenth, nineteen hundred and twenty-six.
 Miss Greer has had most of her

high school work in the Ashland High, completing her course in the Burbank schools, where the family now live.

Congratulations are here from hosts of friends upon this splendid beginning in life's preparation.

It is understood that Miss Greer expects to attend college completing the work, so well begun.

 GUY GOOD,

What's colder than ice?
Electricity!

If you could always have an ice-box full of ice, it would be almost cold enough.

But you can't. Today's cake of ice starts melting at once — the drip, drip of the spout tells you that the ice-box air is growing warmer.

Run a wire to your refrigerator from the lamp-socket. Install a compact, convenient, practical ice-making unit. (Your present ice-box can be made into an electric refrigerator easily, if you like.)

See how dry, sweet and cold the air is — always. Day or night, the occasional hum of the motor tells you that crisp, frosty refrigeration is being delivered — electric refrigeration that keeps the temperature colder than ice possibly can.

Electric refrigeration is quiet, simple and dependable. It is a proven convenience that will soon be in every modern home. Let your dealer show you how easily you can have it in yours on attractive installment payments — now!
