

Are You A Member of The ASHLAND CHAMBER OF COMMERCE? IF NOT, WHY NOT?

We need the active support of 500 men and women to carry on our program for advertising Ashland's superior climate and health giving resources, unexcelled hotels, auto camps, mineral springs, beautiful Lithia Park, our greater schools program, Southern Oregon Normal School, Art School, conventions, and our land settlement program, for bringing new settlers to Ashland.

*One of our principal aims is to develop
the many resources of the community*

Every city has its chamber of commerce. The bigger and stronger the chamber of commerce, the greater are these developments.

Without the Chamber of Commerce there is no centralized organization to undertake community development.
