## Mrs. Emily Wing Kills Daughter and Herself

### SUDDEN INSANITY CAUSES 2 DEATHS

A sad double tragedy occurred Wednesday evening when Mrs. Emily F. Wing, wife of J. Z. Wing of 532 Allison street, shot her 10-year-old daughter, Eunice, four times, killing her instantly at 7:15 p. m. and then shot herself in the left temple. Despite the seriousness of the wound, Mrs. Wing lived for an hour and 15 minutes, although she was unconscious during the period.

The entire Wing family were at home just previous to the tragedy. Mrs. Wing had stated she was suffering from a headache and Mr. Wing had advised her to lie down and rest. This she did, and Mr. Wing then went across the street to pick some cherries. This was a few minutes after 7 o'clock. Mr. Wing had been away from the house only five minutes when he heard the shots.

Rushing to the attic of the house, Mr. Wing found his daughter lying on the floor dead and his wife mortally wounded. A physician was called, but medical aid was, of course, no avail.

A closer examination showed that only one bullet entered Mrs. Wing's body, but that she had shot the little girl four times, two bullets entering the head and two in the left breast.

The physician stated that it was a case of sudden insanity. Two weeks ago Mrs. Wing procured a revolver and is said to have threatened to end her life. At this time, she did not make any threats against the daughter, only stating, according to the physician who was present, that she did not know what would become of Eunice after she, the mother, had departed.

At this time Mr. Wing and the physician procured the revolver and Mr. Wing hid this in the attic of the garage and destroyed the ammunition. The revolver, a .38-calibre Colt's Automatic, was later found by Mrs. Wing and this was the revolver which she used yesterday afternoon.

Mr. Wing made an effort to ascertain where she had procured the revolver, but could not learn from what source the revolver came.

About a year ago Mrs. Wing underwent a serious operation and she has since been ill, with serious periods of melancholia during the last few months, according to the physician.

Yesterday she and her mother and been sewing on a dress for Eunice, for whom Mrs. Wing held the deepest mother love. Just before the tragedy Eunice had been out playing, while Mrs. Whalley had been in the rear of the house. Therefore, very little is known of the movements that preceded the actual shooting in the attic. According to those who examined the child's body, indications were that the daughter was shot before she realized what her mother, in a moment of suicidal mania, contemplated. The child had been home only a short time from a rehearsal of a musicale in which she would have participated Friday evening.

Mrs. Wing, an athletic and accomplished woman of 32 years of age.

### CHARGES THEY PAID \$7 VOTE IN PRIMARIES

#### Vare and Pepper in Recent Election Spent Large Sum For Watchers

WASHINGTON, June 10.—Investigators have ascertained that at least 2,500 persons voted illegally in Pittsburgh in the recent primary, Charles C. McGovern, manager of the west state headquarters of Governor Pinchot's campaign, told the senate investigating committee today.

"We didn't have money enough to investigate everywhere, but found 2500 that voted who had no right to do so," he stated.

McGovern said Pinchot's opponents, William S. Vare, the successful aspirant, and Senator Pepper, the administration candidate and incumbent, spent nearly a half million dollars alone on the election.

He pronounced the custom of hiring paid watchers nothing more than subterfuge for buying votes, and charged that, considering the total of the Vare and Pepper vote in the county, they spent more than \$7 for each vote.

### MARY GALEY GIVEN TYPEWRITER PRIZE FOR PERFECT WORK

#### Wrote 60 Words a Minute for 15 Minutes Without Error; Given Portable

Superintendent G. W. Briscoe yesterday afternoon received a telegram from a representative of the Remington Typewriter company that Miss Mary Gailey, a recent graduate of the local high school and one of the leaders in the typewriting contests here and in state contests had been awarded a Remington Portable as a prize for excellent work done in a test here the last day of school.

The telegram was as follows: Superintendent Briscoe, Ashland, Oregon, Miss Mary-Gailey qualified for Remington Portable typewriter. Congratulations.

H. C. SPILLMAN.

The test in which Miss Gailey qualified for this reward was the writing of 60 words a minute for 15 consecutive minutes without making an error. This is considered a remarkable feat.

In the same contest Miss Ruth Anderson, making an average of 57 correct words per minute, won a silver medal.

### Coolidge Will Have To Live In Hotel

WASHINGTON, June 10.—President Coolidge will probably be driven to living in a hotel while the White House is being repaired.

The alarming condition of the roof has caused administration officials to insist on repairs before the heavy snows of winter. House leaders promised quick action on bill \$350,000 for the repairs.

### VINING PLEASES LARGE CROWD AT SCHOOL CLOSING

#### Tells Students Best Opportunities Now Available to Young People

Irving E. Vining, of this city, pleased a large audience at Marshfield in his graduation address there, according to The Marshfield Daily News, which stated:

"The young people of today have the best opportunities to succeed ever recorded in history but they face the hardest battle because of these opportunities, Irving E. Vining, president of the Oregon state chamber of commerce, told the 62 members of the Marshfield high school graduating class and the audience of more than 1,000 that packed the Egyptian theatre to witness the graduation exercises yesterday afternoon.

"Speaking on the subject, 'The Big Chance to Make Good,' Mr. Vining told the graduates that they were stepping into a different sphere of life and urged them to cultivate the ability to make yourself useful and agreeable to everyone you meet."

All Things Possible

"Everyone has an opportunity and success is attained only by taking advantage of the opportunities, he said. All things are possible and there is no such thing as failure. It is only the blocking or checking of success asserted the speaker.

Mr. Vining stressed the extreme importance of preparedness and the willingness to sacrifice, stick to and carry out one's ambitions in life. "Set a mark, prepare for it just a little better than the other fellow and you will achieve the goal and become a great leader."

Mr. Vining's address was one of the best ever delivered to a Marshfield high school graduating class, officials declared.

### Shriners Wake Up Philly

More than 260,000 delegates of the Ancient Arabic Order, Nobles of the Mystic Shrine, attended the fifty-second imperial council in Philadelphia, when David Crosland, left below, of Montgomery, Ala., was elected Imperial potentate to succeed James C. Burger, of Denver, Colo., right. The myriad red fezzes, bands, costumed patrols, and stunts lent amazing color to the Sesquicentennial crowds. Photo shows the Ballut Abyad Temple delegation from Albuquerque, N. M., with its camel.

### LOCAL TEAM TO CLIMB TO TOP

#### Manager Enders Sure Ashland Team to Become League Leader

The two league leading teams and the two tail-enders will meet on the diamond Sunday in the games between Medford and Klamath Falls in the latter city and between Ashland and Grants Pass at Grants Pass.

An effort was made to change the game between Ashland and Grants Pass so that Grants Pass would play here this Sunday instead of Ashland going to the Josephine county city, but this could not be arranged. The present schedule makes two games in this valley next Sunday Grants Pass here and Klamath Falls at the fairgrounds.

Manager John Enders stated that in his opinion the Ashland team was certain this Sunday to creep just a little closer toward the top of the league, and that the latter position would be reached before the season is over.

The local team has been doing stiff practice work this week and with the same strong lineup as tore down the Klamath Falls defense last Sunday, the local boosters feel that Grants Pass will fall a similar victim in the game at Grants Pass Sunday.

### PASSENGERS GET FRIGHT IN TWO BIG EXPLOSIONS

#### Nobody Injured, But 2,000 on Ferry in Panic in Frisco Bay

SAN FRANCISCO, June 10.—Two thousand passengers were thrown into a panic today when two explosions occurred in, less than two minutes apart on the Northwestern Pacific ferry from Sausalito to San Francisco.

No one was injured. Connecting rods broke, causing the first explosion. The second explosion was caused by the blowing off of a cylinder head. A tug towed the boat in the ferry slip.

### No Blame, Verdict in Whitney Inquest

Alden Foote Whitney came to his death as the result of an unavoidable accident, was the verdict of the coroner's jury following the inquest conducted by Henry V. Joyaux, deputy coroner of Klamath County.

Whitney was killed early Sunday morning when the car in which he was riding plunged off a highway fall on the Ashland-Klamath Falls highway. Witnesses examined at the inquest were State Traffic Officer W. A. Foster, Karl G. Kimball, driver of the ill-fated car and Dr. J. G. Patterson, according to the report.

### PARKING RULES WITH PARALLEL PREDOMINATING

#### Manager Malone Evolves Plan to Eliminate Congestion and Danger BEFORE CITY COUNCIL

Stop Signs to be Placed at Some of Most Dangerous Corners in City

The city of Ashland will have a systematic plan of parking and other automobile regulations, provided the recommendations of City Manager C. A. Malone, which he will make to the city council tonight, are adopted.

Mr. Malone has been studying the local parking situation for a long time and has evolved a plan which he thinks will both prevent any congestion and also give greater safety to the motorist.

"Stop" signs will be placed at two dangerous corners, North Pioneer and Oak streets entering into Main streets. Several accidents have occurred at these two corners, but Mr. Malone believes that if motorists driving into Main street are required to stop at this point these accidents will be prevented.

Parking will be prohibited on East Main from the Electric Bakery corner to the corner of the Barber Shop next to Plummer's grocery.

On all other blocks on Main street and several blocks on side streets parallel parking will prevail under his plan, with the exception of East Main street on both sides from the Plaza to N. Pioneer where diagonal parking will prevail. This will be at an angle of 45 degrees. No parking spaces such as in front of the theatre, fire station, fire - plugs, and other places will continue as at present, of course.

The parallel parking will allow a space of 18 feet. Instead of 20 feet, as in the temporary parallel parking spaces at the Plaza which have been tried out. On North First Street from Main to the alley diagonal parking will be authorized, as no parking is permitted on the side occupied by The Union Oil company station.

Standard signals will also prevail. The city manager has prepared cards showing the method of making parallel parking, which will be distributed to the motorists if his plan is adopted.

### FLAG DAY PROGRAM AT VINING SUNDAY BY ASHLAND ELKS

#### Robert J. Nixon of Yreka Will Give History of Flag; Public Welcome

Patriotic Flag Day exercises will be held by Ashland lodge B. P. O. Elks No. 944, in the Vining theatre Sunday afternoon, June 13th at 2 p. m., and a cordial invitation has been extended to the public to attend the ceremonies. The Flag Day exercises will also include a splendid picture, "I'll Show You The Town."

The program as arranged for the entertainment will include: "The History of The Flag," by Robert J. Nixon, of Yreka, Cal.; Ritualistic exercises by Exalted Ruler James Bowers, Esteemed Leading Knight Andrew J. McGee, Esteemed Loyal Knight, Andrew J. McCallen and Esteemed Lecturing Knight Clyde G. Young and musical numbers.

### PUBLIC DANCE TO BE BANNED IN ORDINANCE

#### Councilmen Will Seek Law Tonight at Meeting to Cut All Dances

Most Prohibit All And Cannot Single Out Any Special One, Is The Opinion

An ordinance prohibiting all public dancing within the city limits of Ashland has been prepared and will be presented at the meeting of the city council tonight, according to a statement made by Councilmen High and Wiley this morning to a representative of The Daily Tidings.

Councilman High yesterday notified City Attorney Wm. Briggs to inform the directors of the chamber of commerce at their meeting last night that this action would be taken and that, in the opinion of Councilman High, it would be advisable for the chamber of commerce to eliminate any reference to dancing in Lithia Park during the Fourth of July celebration, which had been planned to raise the finances to pay for the fireworks, a part of the celebration program here Monday, July 5th.

This notice was given to the directors, who are holding up further action on the celebration until the dance question has been settled. It was stated. It is possible that, if the dancing is prohibited as the councilmen plan, the celebration may have to be cancelled.

According to Councilmen High and Wiley, the question of prohibiting dancing was discussed recently in various churches of the city, with the result, as the councilmen stated, that more than 1200 persons in attendance at the various churches voted against permitting dancing in Lithia Park.

The councilmen said they then sought legal advice, which was to the effect that it would be illegal to prohibit dancing in the park, since a permit for this had been granted by the park board, and still permit public dancing in other places within the city limits. Thus, they stated, they had the ordinance drafted for the prohibition of all public dancing in the city.

Councilmen Wiley, Thornton, Wright and Taylor expressed themselves today as favoring the ordinance prohibiting all public dancing, while it is understood that Councilman Burdick and Peters will oppose the ordinance. Mayor Johnson stated he did not oppose public dances, properly conducted as he felt sure the dances here were, and that he would probably veto any ordinance prohibiting public dances.

The announcement that the action mentioned above was contemplated at tonight's session of the council created considerable discussion throughout the city today. Stringent opposition to the execution of the dance prohibition ordinance will probably follow its passage.

### 129 SETTLERS TO OREGON REPORTED

#### \$375,000 Invested by New Citizens During Period of Feb. 1 to May 30

One hundred twenty-nine new settlers were reported to the Land Settlement Department of the Portland Chamber of Commerce, cooperating with the State Chamber, during the period from February 1 to May 31. These new residents are valuable economic units in the state for they have invested over \$375,000.

During the month of May the Portland office received signed statements from 102 families who declared their intention of coming to Oregon bringing an investment of no less than \$240,900. Thirty-one others indicated in their letters their expectation to come to this state.

The department operations continue active in correspondence with new inquirers as well as with those who have extended their exchange of letters over a year or more. Letters aggregating 2421 have been sent out in May, accompanied by 3399 pieces of literature addressed to those who indicated sincere interest in Oregon farm opportunities.

Carrying the message of Oregon's desirability as a farmer's goal as well as a vacation land, Irving E. Vining, President of the State Chamber, has just returned from a successful tour of California where he was received with great enthusiasm. It is expected that the travel of Californians to Oregon will be stimulated by Mr. Vining's inspirational addresses, and that others who have sought homes in California without finding just what they desired will be encouraged to come to Oregon before leaving the Pacific Coast.

Stressing the similarity of problems of the coast states, Mr. Vining has made a valuable contribution to the unity of methods of solving these problems. After spending the week in Coos county, the State chamber president will come to Portland to deliver addresses here as well as in a number of neighboring cities.

### Must File For School Election

It is understood that only one declaration of intention to file as a candidate for the office of director in School District No. 5 has been made, according to information given The Daily Tidings.

It was stated that Hal McNair, whose term is about to expire, will seek re-election. V. O. N. Smith, whose term also expires soon, has not stated whether he will seek re-election. The petitions must be filed at once, it was stated.

### California Star Goes To Hawaii

SAN FRANCISCO, June 10.—(UP)—Lieutenant "Sandy" Goodman, former West Point athletic star, and captain of the Ninth Corps Area, U. S. A., army team last season, left today for Honolulu. His transfer to Hawaii was received regretfully by sports followers throughout the Ninth Corps Area and at Fort Scott, where he has been stationed. Goodman said he contemplates continuing his athletic activities in the islands.

### Whittemore To Hang; Is Verdict

BALTIMORE, Md., June 10.—Richard Reese Whittemore, head of the so-called Whittemore gang of New York and Baltimore jewel robbers, was today sentenced to hang for the murder of Robert Holtman, a prison guard. The bandit killed a guard in a prison break February 20, 1925.
