## TELL YOU THIS KARNAK SURE IS REAL MEDICINE

Why, It Ended My Stomach Troubles And Built Me Up To Perfect Health—What More Could A Person Ask? Says Cheney.

"I tell you, Karnak ended my stomach trouble, and built me up to perfect health, so what more could a person ask?" declares J. R. B. Cheney, of 4815 S. 75th St., S. E. Portland, Ore.

"For four months my stomach was upset all the time and caused me no little suffering with indigestion," continues Mr. Cheney. "Why, gas would form on my stomach so bad after eating that it kept me belching and gagging for hours. I'd have heartburn, too, and felt miserable and out of sorts all the time.

"I felt drowsy and sluggish, but when I'd go to bed I couldn't sleep, and I couldn't find anything that seemed to refresh my case.

"But, believe me, this Karnak sure is real medicine. Why, I'd improved right along on every dose until now I'm on my third bottle and my appetite is fine, and my digestion is perfect. And all that heavy, full feeling in the pit of my stomach is gone as well as the gas and heartburn.

"I just sleep now without hardly turning over, and that by itself is remarkable, for I have to sleep during the day when there is so much to do; I feel my entire system has been toned up and strengthened until I am like a new man, and you can just have anybody see me about this medicine."

Karnak is sold in Ashland by the East Side Pharmacy and all leading druggists.

**Grants Pass Will Build Golf Course**  
GRANTS PASS, Ore., June 10.—Construction of a nine-hole golf course has been started here by the Grants Pass Country club which has organized with 70 members. The links are being laid out on an 80-acre tract lying on the river at this point, which is along Rogue river four miles

above this city and will be ready for use this summer.  
Options have been taken by the club on 30 acres of adjoining property, also having river frontage. This will give almost a mile of river frontage, one of the best fishing riffles on the river being included. There is also still water for boating and swimming. Pine, oak and maple groves line out on an 80-acre tract lying on the river at this point, which is just across the Rogue from the Pacific Highway.  
No effort will be made to build a club house on the property, although this is included in the plans. The golf course will be built on fairly level ground and will be laid out by an experienced man. A board of five directors has been selected to supervise the work.
