Billy Briggs Is Hero Of Latest Fisherman's Tale

Billy Briggs, farmer lawyer and legislator, also qualified this week as an angler. With Bert Miller, Billy went out to the upper waters of Jenny creek on a fishing trip.

In one seductive looking pool Billy threw in his line and a hungry rainbow grabbed the bait and whisked away. Billy was standing in the mud, but he forgot his precarious foothold as he baited his hook again and tossed out his line.

For nearly 20 throws, the rainbow gobbled the salmon eggs, made faces at Billy and darted away. And all the time Billy was sinking farther into the mud.

Finally, Billy landed his prize. With a mighty heave he jerked back his rod. The trout swung in mid-air and landed high up in the branches of a nearby tree, with the line securely tangled about the limbs.

By this time Billy was hip-deep in mud and Bert had to tug at him for nearly 30 minutes before he could pull him out of the mire. Dripping with mud, Billy shinned up the tree and got his trout. But he still refused to say just how big it was.
