

# STOCK REDUCING SALE of STAPLE DRY GOODS

With the idea in mind of making this store more largely a ready-to-wear store we have decided to materially reduce the dry goods stock within the next few weeks in order that fall opening will find our store adjusted to the new plans we have in mind for future operations.

ASHLAND **Mc Gee's** OREGON  
DR. GOODS

Changing conditions indicate to us that less yardage goods and more ready-to-use and ready-to-wear merchandise is the most desirable plan for the future of this store. You will profit in proportion as you take advantage of the many low price offerings during this sale.
