Forest Fire
Five men brought an eight-acre forest fire near Buck lake under control last evening after it had commenced in the afternoon. The fire, which was in the Crater National forest in the Dead Indian country, was largely put under control through the use of a gasoline fire pump, with water from a ditch running near the flames. Medford Mail Tribune.

On His Way

Albert Tanswell, 15, lives in Iowa City, Ia., and his mother lives in England. For two months she has been very sick but Albert had no money to pay his way across the Atlantic. Finally a rich Iowa City man heard of his plight and advanced him the money. Now Albert's on his way to see her.

Blazers

Bathrooms on the building...
In China, a total abstainer, observing the social amenities, delegates his drinking to a servant. When one servant is intoxicated, he is replaced by a sober one.
