JUST ALMOST STARVED HERSELF FROM DIETING

Portland Woman Suffered Awful Dry and Night, But Karnak Worked Almost Like Magic in Her Case And Now She is in Splendid Health Again.

"I simply suffered five years of agony before I got Karnak and I can never praise this medicine enough for putting me in such splendid health again," declares Mrs. J. Schmitt, Route No. 7, Box 395, Portland, Ore.

"Stomach trouble just kept me in torture day and night," continues Mrs. Schmitt. "I almost starved myself dieting. Then came an operation, and later on another operation, but I kept getting worse all the time.

"The least noise would put my nerves on edge, and I was so weak and tremble I shook like a leaf. Palpitation and gas pains just kept me weak and worried sick. I lost weight till I had no color, and I was just forced to see my housework go undone. Why, I wasn't worth a cent as far as work was concerned, and I was too weak to stay on my feet fifteen minutes at a time.

"I had sharp shooting pains through my back and sides, and I could never get any peaceful sleep. I would just lie awake in misery and wonder if there was any medicine or treatment that could ever give me any relief.

"But one day my husband brought me home two bottles of Karnak, and I will always bless the day he did. Why, this medicine just worked almost like magic in my case and since taking four bottles I now eat meat, potatoes and just anything else I want without it ever hurting me one bit afterward.

"All those aches and pains are gone, I sleep like a child at night, and mornings I just feel as fresh as a daisy. I can do my housework without it even tiring me now, and I just feel the good of Karnak to my finger tips now. My husband is now taking Karnak with splendid results, and we wouldn't be without it. We call it our family medicine."

Karnak is sold in Ashland by the East Side Pharmacy and all leading druggists.

Everything the Name Implies

Thanks Judge For Light Sentence
 (Continued From Page Three)

Jimmy replied calmly and without hesitation, "not guilty."

They took him out of the court room. Once out in the hall, however, he hesitated. They brought him back and again read the indictments.

"Guilty or not guilty, Mr. Nolan," asked the attorney.

"Not guilty," replied Mr. Nolan.

Out he went again and then back to hear the papers re-read. Again the attorney put the question. Jimmy squared his shoulders and said firmly, "Guilty."

Jimmy then bowed his head and it verily appeared that he was about to weep. The judge turned his throat and Jimmy coughed his ear. "What would the judge say?"

"A year and a day," began the judge. Jimmy's eyes filled with tears and his stooped, five and one-half feet bent nearly double.

"To run concurrently with the present sentence," finished the judge.

"God bless you judge," exclaimed Jimmy. "You'll see the day when you are rewarded for this."
