WASHINGTON — Republican insurgency—described by the socialist Congressman Berger as "the elephant's tail"—has reached such proportions in the last week or so that one of two things appears likely to happen:

1—Either the tail will shortly be wagging the elephant, or else

2—It is quite among the possibilities that the tail will detach itself from the elephant and undertake to be a party on its own account.

To appreciate how formidable the elephant's tail—insurgency—has become, it is first necessary to consider the question: What is a political insurgent?

The answer seems to be that he is a member of a political party who is out of harmony with the leadership to some extent.

Now President Coolidge, by virtue of his office, at least theoretically is the Republican leader at the present time. Any Republican who bolts one of his essential policies becomes an insurgent automatically.

No doubt, policy is more absolutely an essential one than his policy toward agriculture. It is in this policy that the recent startling spread of Republican insurgency is due.

Was how extensive it is throughout the country remains to be seen. Even as to the House of Representatives there may be a wide measure of the power house in its entirety.

But the senate is easy to size up. It is the elephant and his tail are near the parting of the ways.

SOCIETY NOTES

Mrs. Grace E. Andrews, Editor

Calendar of Events—Tuesday, July 16.—W. C. T. U. At Library.

Thursday, July 18.—Baby Clinic. At Civic Club House. Remember the date.

Tuesday, July 20.—Civic Club meets 2:30 p. m. Mrs. P. K. Hammond and Mrs. Gordon MacCracken hostesses. Strangers welcome.

Civic Club Meets—Members of the Civic Club are asked to bear in mind the date of its meeting, which is next Tuesday, July 20 at 2:30 p. m.

Mrs. P. K. Hammond and Mrs. Gordon MacCracken are hostesses for the afternoon.

Strangers are especially invited to attend.

Reception at Mrs. Pratt's—The members of the Woman's Benefit Association were entertained at the home of Mrs. C. E. Pratt on North Main street, Saturday afternoon from two-thirty until five o'clock, honoring Mrs. Julia B. Ward, of Portland, State Commander of the Woman's Benefit Association.

The earlier afternoon was spent in formulating plans helpful to the growth of the association.

The social hour followed, with refreshments of ice cream and wafers served by the ladies during the afternoon.

Mrs. Ward's visits are much appreciated by the membership of the order and it is hoped that they may be repeated at frequent intervals.

In Attendance At Institute—Mrs. Bertha Denton, Ashland's Public School Nurse, left with her two young sons for Berkeley, California, where she will attend an Institute for Public Health Nurses, held at the University of California.

This extends over a period of three weeks and there are three hundred public health nurses enrolled from different states in attendance.

Before being eligible to attend one must have had at least a year's experience in the work.

Mrs. Denton expects to gain much from the institute, with its interesting and helpful program.

Baby Clinic—Thursday of this week is the day for the regular Baby Clinic in Ashland and is held as usual in the Civic Club House.

Dr. V. S. Gearey will be present, as will other members of the Health Unit. There are always those in Ashland who assist at the clinics.

All mothers wishing to take advantage of the clinic for their children are asked to telephone or see Miss Hicks at the Library, that the date may be assured for the consultation.

It is hoped that as many as can will avail themselves of these regular meetings.

The Ashland clinics have been wonderfully successful and always the hours are filled to overflowing in examinations and in helpful consultations.

An Announcement of Interest—An announcement of interest to many friends has been received lately in which Mr. and Mrs. Thomas C. Ingraham announce the marriage of their daughter Deborah to Mr. Lowell Albert Griffith on Wednesday, the ninth day of June, nineteen hundred and twenty-six, at their home in Augusta, Maine.

The announcement does not come as a complete surprise, for friends were aware of the impending marriage, but a large group of friends here are very interested in Mrs. Griffith's happiness.

It will be remembered that Miss Deborah spent a number of months in Ashland, the guest of Mr. and Mrs. J. H. Fuller and during her extended visit she took an active part in the social life of the city, making a host of friends who will be happy to see her and Mrs. Griffith since good wishes for a life filled with happiness and

the Harris family, the Rev. and Mrs. V. K. Allison and family and Mr. and Mrs. W. J. Wallace.

It is hoped that when Mr. and Mrs. Yates tire of Eugene that they will return to Ashland which has been their home for so many years.

Floral Society's Display—"Because of the weather and water conditions, the Floral Society decided at their meeting last Thursday evening to have a "Floral Display" without prizes instead of a "Flower Show" with prizes as previously planned.

"The water condition makes it seem necessary to display what flowers we have now. If it is advisable there will be another display later in the season.

"Mr. Harry Hoeler is manager of the coming "Display." The "Display" will be held at the Lithia Springs Hotel probably for the two days July 22 and 23.

"It is very earnestly desired that anyone who has any flowers will prepare to display them without reference to what someone else may have. All flowers are beautiful.

The aim of the Society is to have 500 exhibitors. Will you do what you can? Our aim will be realized if you do and you will be happy to think that you did what you could to help.

Mrs. Frank Jordan brought the beautiful blooms of the Ismene (Peruvian Daffodil) which she raised, to the Society's meeting that the members might enjoy its unusual beauty and fragrance.

Other flowers were displayed at the meeting. After the meeting, those present enjoyed Mr. Hosler's display of Gladioli and Dahlias at Lithia Springs Hotel and in McGee's window.

Announcement of committees etc., in preparation for the "Floral Display" will be made later through these columns.

Note: Special attention is called to the above report, and the personnel of committees and plans will appear soon.

Married—Thornton-Wells—The marriage of Miss Gertrude Wells of Medford and Mr. Carvel Thornton, son of Mr. J. Edward Thornton of Ashland, occurred at ten o'clock, Tuesday, July sixth, at Yreka, California.

Mr. and Mrs. Thornton will live in Medford, where Mr. Thornton holds a position with the Pierce-Harrison Motor company.

Mrs. Thornton has been employed in Mann's Department Store of that city, and will continue her work with that firm.

The bridegroom was born in Ashland and has lived here all his life, except during the three years he served in the aviation corps, part of the time in the Philippines.

Their many friends unite in extending to the happy young couple heartfelt congratulations and good wishes for a long happy and prosperous life.

Auxiliary to Trinity Guild Have Picnic—Members of the Auxiliary to Trinity Guild entertained their husbands and families at a delightful picnic supper in Lithia Park, at seven o'clock, Thursday evening of last week.

The dinner was a real feast of good things which all enjoyed immensely and of course, with it was the jolly visit that marks a picnic of good friends.

How to Have a Beautiful Skin—You have wanted a skin food and beautifier that keeps the face young. There is a new French Cream that will do this. It is so pure and different one application brings a change. It is called MELLO-GLO and everybody says it is wonderful. Get MELLO-GLO Cream now and increase your beauty.

Lithia Springs Pharmacy

Picnic For Mrs. Yates—Because of Mr. and Mrs. Yates' departure soon for Eugene to make their future home, a number of friends arranged a picnic in the park in their honor; for Mr. Yates, who has been in Eugene some time had returned to Ashland in time for the gathering.

A delightful dinner had been prepared and all enjoyed it and the happy visit of friends which followed.

The members of the group present at the pleasant affair were Mr. and Mrs. Sanford and family, Mrs. Ida Crandall and little daughter.

The regular meetings of the organization are now discontinued, and this picnic was by way of a closing social affair for the season.

Early fall will see this 1934 organization planning for its usual activities, social and other wise.

Social Circle Close Meetings—The Social Circle of the Christian church has decided to adjourn further meetings until September. They have arranged their work and made their pledges, so the organization may take a vacation during the warm months and be ready with renewed vigor for the social activities incident to a large and growing society.

Weekly Picnic—A number of the faculty members are enjoying weekly picnic dinners together. The place varies, but the Lithia Park has been a favored spot for some of them.

Tonight it is planned to have another of the happy affairs. Those participating are enjoying the pleasant fellowship as well as

the merry party wended their way homeward. Miss Virginia Hains physical director of the gymnasium, chaperoned the party and directed those needing assistance in the art of swimming.

Special Features at Assembly—It is the plan at the regular assembly period to have special features. Visitors are welcomed at

Men Who Are Making America

The plain, everyday Americans who are earning their living with hand and brain and skill these are the men who are making America.

There are no more valuable accounts on the books of the Citizens Bank of Ashland than the rapidly growing hundreds which belong to ambitious men and women of this type.

With them, earning a living is not all. They are providing for the future as well—their own and the future of their families.

We regard it as a privilege to help these earnest-minded citizens to make the most of their lives and opportunities.

Dividends for You From Electrical Development

Physical Growth Requires Financial Growth

AN organization like the California Oregon Power Company cannot stop growing. Every time a new customer is added to our lines the demand for electricity increases. To meet the demands of thousands of new customers each year we must continue to expand our facilities for service.

Not only must we be prepared to place more power at the command of the territory served, but new transmission lines must be built and old ones extended to reach these new users of service.

Our six-fold expansion in the last ten years has given more than 2,000 of our customers the opportunity to invest in our preferred shares. Our growth in the future will give you the same opportunity.

This popular investment will pay you a good return—safely. You can purchase shares on the Monthly Investment Plan at \$5 a share per month.
