Bachrach says: "All my swimmers wear Jantzens"

NORMAN Ross, Johnnie Weissmuller, Sybil Bauer and many other champion swimmers owe their training to William Bachrach, veteran coach of the Illinois Athletic Club and famous mentor of the winning American Olympic team.

Wrote Bachrach to a friend: "I have never found a suit to compare with the Jantzen — and I guess I never will. Carl Jantzen saw a vision of swimming as a great national sport and created a suit that has made this possible. All my swimmers wear Jantzens for beach and all round wear."

497 of America's leading physical instructors rank swimming first in health and fun. Of these, 478 say the suit Jantzen originated is the most practical for swimming.

Wear a Jantzen to look your best and be free for all the fun of swimming. See our new stock of men's, women's and children's. For perfect fit just state your weight.
