Sunday at The Churches

Congregational
The services of the Congregational church are being held in the parsonage, Main and Boulevard, during the construction period of the new church. The Sunday school meets at 9:45 a. m. and the worship hour is 11 a. m. Rev. E. S. Bollinger, the acting pastor will preach on "The Power of Intelligent Belief." The mid-week service is on Wednesday, 8 p. m.

Epworth League
The August group of studies deals with "pioneers." Next Sunday the topic is "William Penn, Pioneer in Religious Freedom." The history books give a full account of William Penn, colonist and governor and statesman, but they do not tell us of William Penn, religious and pietist, who dared to worship God as his conscience dictated. N. A. D. I. N. E. Swenning is the leader.

A dramatic club has been organized within the League at the suggestion of Mae Van Hardenburg who visited one in Portland. The object of the club is to promote interest in dramatic art. They are going to present an entertainment at the evening service on August 8. Officers for the remainder of this year are: Mae Van Hardenburg, president; Madge Maroon, vice-president; Dora Sparks, secretary; Lawrence Powell, treasurer; George Barker, sergeant-at-arms. Three standing committees are to be formed.

A "Coaching Party" was held at the home of Miss Ruby Powell last Tuesday evening for the leaders of the remaining year. Madeline Stevens, first vice-president, presented very well all necessary instructions for the future leaders. Then an open discussion ensued in which all were benefited. Singing engaged the rest of the evening.

Epworth Leaguers and friends who are looking for a good time, will remember the Gypsy Party tonight at 8:00. You are to meet at the Lithia Fountain in the

park with flashlights, banjos or ukuleles, and a bright colored sash and head piece.

Presbyterian Church
Rev. Hugh T. Mitchellmore, pastor, will speak Sunday morning at 11 a. m. on the subject, "Will a Man Rob God?" In the evening the theme will be "Riches: Are they cattle and silver and gold?" There will be special music with a "Surprise Choir" in the evening.

Note: The pastor will preach at both morning and evening services. During the last three Sundays Rev. Segsworth and Rev. Dodson were our two welcome and

helpful supplies. The young people of the church conducted two of the evening services in a most acceptable manner. For this kindly help and cooperation the church and pastor are truly grateful.

Avoid Poorly Balanced Breakfasts

Start the day with Quaker Oats—food that "stands by" you.

If you feel tired, hungry, "fidgety," 10 hours before lunch, don't jump to the conclusion of poor health. Thousands have unenergetic mornings because they start the day with wrong breakfasts.

To feel right, you must have a well-balanced, complete breakfast ration. At most other meals—lunch and dinner—you get it. But breakfast is a hurried meal, often badly chosen.

Thus Quaker Oats, containing 16% protein, food's great tissue builder, 58% carbohydrate, its great energy element, plus all-important vitamins and the "bulk" that makes laxatives seldom needed, is the dietetic urge of the world today.

Don't deny yourself the natural stimulation this rich food offers you. Get Quaker Oats today. Grocers have two kinds: Quick Quaker, which cooks in 3 to 5 minutes, and Quaker Oats.

Quaker Oats

FOR THE MAN WHO TOILS

Meat for the man who toils; because it is so full of that energy so necessary to the man whose work is "fatiguing." Nothing like meat to restore that old "pep."
