NORMAL STUDENTS SHOW APPRECIATION

Students of the Southern Oregon State Normal school were deeply appreciative of the recent trip to Crater Lake as given by the Ashland chamber of commerce. In a letter signed by Lillian B. Allen, president, and Chlo Palmer, secretary of the student body, the thanks of the students is sent the local chamber. The letter follows:

"The students of the Southern Oregon Normal school desire to express their very sincere thanks to the chamber of commerce of Ashland for the delightful trip to Crater Lake. "We appreciate the effort and expense entailed and your very generous hospitality. "The day given over to the trip to Crater Lake is one long to be remembered and its story will be told in many class rooms throughout the state. "Students who contemplate finishing a normal course can not help but have their attention turned to Ashland because of the Ashland spirit, and the deep interest shown by her people in the upholding of the Southern Oregon Normal school."

Takes New Position

No-Hit Hurler

"Mush" Higgins, veteran right-hander of the Charlotte club, South Atlantic League, broke into baseball's hall of fame the other day by hurling a no-hit, no-run game against Augusta. Only one batter reached first, getting there on a pass. It was the first "no-batter" hurled in the Sally loop in two years.

George Verne Blue

Stopped one day in Ashland to visit at the home of his parents, Mr. and Mrs. D. P. Blue, while enroute from Berkeley to Eugene, where he will give a course of lectures on American history in Post-Session of summer school at the University. He has been at the University of California during July, completing certain requirements for the degree of Doctor of Philosophy. About September 15, he will be in Ashland again for a few days visit with friends before starting for his work in "Historical research" in Europe, which will probably consume nearly a year.

hundreds of thousands of people
are now regaining lost health simply because they know the secret of the famous health springs which has only recently been discovered! Radio-activity is the secret! And the newest miracle of modern science enables them to have—without any upkeep expense—a perpetual health spring right in their own home.
