**Dinner Guests**—  
Mr. and Mrs. C. W. Fralcy were host and hostess at an attractive dinner party, Thursday with covers laid for the following guests: Mrs. Underwood, and son, George, the Misses Josephine and Mildred Barber, and Mr. and Mrs. Sydney Hazelton.

Mrs. Underwood and Mr. and Mrs. Sydney Hazelton are guests of Mr. and Mrs. W. M. Barber. Mrs. Underwood is a sister of Mrs. Barber, Mrs. Hazelton a daughter. Mr. Hazelton will be remembered as a brother of Mrs. Clark Bush, who, with Mr. Bush are expected to visit in Ashland soon.

The dinner, with the visit, which was the delightful accompaniment in this hospitable home, was a very successful affair.

A round of entertainment is making the stay of the out-of-town guests a very happy one.

**Picnic in the Park**—  
The families of E. R. Harris and C. E. Horne enjoyed a very delightful picnic supper in Letha Park, last Wednesday evening, honoring a number of visiting relatives.

Those who were complimented in the pleasant evening and delicious supper which was served at half past six o'clock in the picnic grounds were Mr. and Mrs. Thomas Harris, of Morning Sun, Iowa, Mr. and Mrs. C. L. Cochran, Mr. and Mrs. E. Cochran and Mr. and Mrs. Roy Draught and son, Joseph, of Whittier, Cal.

With the exception of Mr. and Mrs. Thomas of Morning Sun, Iowa, who are making an extended visit the guests have departed for their respective homes.

All enjoyed the interesting visit in Ashland with the many happy plans made for their entertainment.

**Outing With House Guests**—  
Mr. and Mrs. W. H. Graham and children with their house guests, the Rev. W. M. Jackson and family from Riverside, Cal., who have just returned from a Conference at Seattle, Wash., met at Medford this morning (Wednesday) and all motored to Crater Lake where they will spend the night.

From there the Rev. and Mrs. Jackson with their family will return to Grants Pass, and make the return trip along the coast route via Crescent City.

Mr. and Mrs. Graham expect to go from Crater Lake to Davis Creek, California, for a ten days' outing, where they will visit relatives and friends.

**Another Trip to Crater Lake**—  
A daughter of Mrs. A. H. Russell, Mrs. Boyd, with her son, have been guests for the past few weeks at Mrs. Russell's home.

a birthday party, or swimming party and picnic dinner combined, occurring Wednesday last.

It proved to be an all-day festival. The house party of Mr. Ralph Vining, Mrs. O. Winter, Mrs. Walter and daughter, Miss Ruth Walter, Mrs. Bourne, the one whose birthday anniversary was the occasion of the celebration, her son, Gordon, with a few friends went by boat to the lower end of the lake where the morning was spent in swimming.

The dinner was a feast indeed, with a birthday cake, the presence of which was not suspected by the guest of honor and an array of gifts, planned in harmony with the surroundings both in the gift and its decorative trappings. It will remain a red letter birthday for the complimented guest.

In the evening, sixteen guests gathered around the cheery camp fire to complete, in story, song and visiting, the festal day.

**The Carter Cottage Sold**—  
Mr. and Mrs. E. V. Carter spent a few days at the Lake of the Woods and a farewell campfire marked the last evening of their stay. Mr. and Mrs. Carter have spent the past nine summers at their summer home on Carter's Point and it will seem lonely indeed without their presence there.

**Dr. Morrison of Klamath Falls** was the guest, adding another to the many from that city composing the Klamath Falls colony. A house warming by their Klamath friends was given them upon their arrival at their recently purchased lakeside home.

A number of parties are scheduled for this week at Ashland's summer playground, which will be reported in a later issue.

**Married**—  
**Duncan-Johnson**—  
Announcement has just been received of the marriage of Mrs. Pernie Johnson and Mr. Thomas Duncan which took place at Independence, Oregon, Friday, July the thirtieth.

It was a very quiet affair. Mrs. Duncan was accompanied by her sister, Mrs. A. P. Huber.

Mr. and Mrs. Duncan have just returned from a short wedding trip to the beach. Both have been residents of Ashland for many years. A host of friends tendered good wishes and congratulations. They are now at home at 347 North Main street.

**Dr. Mattie B. Shaw Entertains**—  
Dr. Mattie B. Shaw was hostess Saturday evening, at musicale, with Mrs. Emily Stevens, her daughter, Emily and son, Mark Stevens of Harvard, complimented guests.

Those invited to share the delightful evening were Prof. and Mrs. H. G. Gilmore, parents of Mrs. Stevens, Mr. and Mrs. John H. Fuller, Dr. and Mrs. E. A. Woods and Mrs. R. L. Reed.

The honored guests are all exceptionally gifted musicians. Mrs. Stevens, as composer as well as artist.

**HOLLYWOOD, July 31.**—  
What's in a name?

Millions of your name happens to be Mary.

Out here in the film colony they're superstitious about names. And especially about Marys. If a

film aspirant is named Mary, they figure her battle is half won.

Mary, as the song used to say, is a grand old name. Nothing fancy; just an every day, staple name, unpretentious and plain.

But it has it all over the Gwens, Dolyns and Lynetics and Vyvyans and Odettes. If Mary Smith comes to Hollywood to enter the movies, she'd better think twice before she changes her name to Dolores del PiPPERino. Few Marys ever fall in the movies.

Perhaps the queen of them all is Mary Pickford. "America's Dolyns and Lynetics and Vyvyans" others read and rested, as inclination dictated. Tuesday of this week, Mrs. Andrews returned to town but the house party was augmented by Mrs. Josephine Foley, Miss Eva Foley who had

spent in Ashland, her father being a member of the firm of Nims and Saunders, Mr. Rogers is a member of the faculty of the Santa Cruz high school.

**A Pleasant Evening**—  
The coming or going of a group of visitors at the lake is generally marked by a Jollification of some sort, usually a camp fire party, a moonlight swimming party, and supper combined or any of a dozen other ways in which the lake habitues amuse themselves.

A delightful beach campfire party marked the close of the stay of Mrs. J. H. McGee, with her son, Everett, and her guest Miss Dorothy Nininger, who returned to Ashland Saturday morning last.

Dr. Shaw, a close friend of the family, arranged the musicale during their brief stay, and those enjoying Dr. Shaw's hospitality that evening were fortunate, indeed, in hearing their artistic interpretations of so many beautiful selections.

Delicious refreshments brought to a close the altogether delightful evening.

**A Happy Surprise**—  
"Mrs. A. L. Harvey was delighted surprised on Tuesday when her daughter, Mrs. E. M. Wilson, of Medford and her daughters from Klamath Falls came unexpectedly to visit for the day.

"They prepared the delicious dinner at noon with their mother, Mrs. Harvey, as a special guest, the occasion being her birthday.

Those present were: Mrs. A. L. Harvey, Mrs. E. M. Wilson, her daughters, Clara Earle, and Maude Goddard, Mrs. Goeller's daughters, Jean, Nan and Adra, of Klamath Falls and Mr. and Mrs. Frank Wright. Mr. Wright arrived Monday from Lakeview to join his wife who has been visiting relatives and friends in Ashland.

**House Party at the Nims' Summer Home**—  
A party of nine composed the group assembled to spend the next fortnight at the Nims' cottage beside the lake.

Mr. and Mrs. Frank Dean, and daughter, Betty, Mr. and Mrs. Karl P. Nims, Jack Nims, Mrs. C. W. Nims and Mr. and Mrs. James Rogers, of Santa Cruz, arrived the first of the week and proceeded immediately to lay out on the beach, a golf course of a number of holes, christened "Bye-amsore Links."

With the members of the party are enjoying rare sport.

Mr. and Mrs. Rogers of Santa Cruz have spent a number of summers with the Nims' family at the Lake. Mrs. Rogers will be remembered as Miss Josephine Saunders whose girlhood was

but just returned from Berkeley and Miss Missie Foley, Mr. and Mrs. Clifton Hardley and two sons, Joseph and Collins, of Phoenix were also expected to be of the party.

Mr. and Mrs. Foley expect to stay throughout August at least. Some of the house guests may return sooner than the date mentioned.

**Recent Arrivals at the Lake**—  
Miss Edith Dodge and her guest, Miss Beth Sutherland, of Portland, are spending a week or two at the Dodge cottage. Mr. and Mrs. Dodge and Bobbie returning to Ashland Sunday afternoon.

Mrs. Don Whitney and children, Marietta and Fanny, Mr. and Mrs. George Rose Virginia Rose, Mrs. H. S. Sanford, are occupying the Rose Cottage. They spent Tuesday in a delightful trip to Rocky Point.

Mr. and Mrs. O. A. Paulsen are now at the lake as are Mr. and Mrs. Klum and Mr. and Mrs. Garrett. Mr. and Mrs. Edwards are occupying their cottage on the west side of the lake.

**Floral Society Meets**—  
Ashland Floral Society met Monday evening at the library in regular session. The usual routine of business occupied the membership during meeting.

Great satisfaction was manifested at the success of the "Floral Display" recently given and heartfelt appreciation expressed to the management of the Letha Springs hotel for providing the place and assisting in every way and to those who arranged the beautiful display so artistically and who were in charge during the two days exhibit.

The following note of appreciation from the organization follows:

"The members of the Ashland Floral Society at their meeting Monday evening expressed their great pleasure in the hearty cooperation extended to them by those who helped make the recent Floral Display the success that it was.
