From the office of State Engineer Rhea Luper has also come the recent report that the Tumalo District is now considered on a safe basis having been greatly assisted in its successful settlement by the Reclamation and Land Settlement Department of the Portland and State Chambers of Commerce. From Minnesota, Wisconsin, Illinois, North Dakota, South Dakota, Nebraska, Kansas, and Iowa are coming to the department encouraging letters welcoming the arrival of Mr. Foster to furnish to farmers in those

states information concerning Oregon. **Swimming Team Will Stage Meet** EUGENE, Ore., Sept. 24.—(UP)—The University of Oregon swimming team will hold a dual meet with California and Stanford the week-end of February 12, it was announced here.
